Patients Potions And Physicians A Social History Of Medicine In Ireland:

Patients, Potions & Physicians Tony Farmar, 2004 *Ireland and Medicine in the Seventeenth and Eighteenth Centuries* James Kelly, 2016-05-06 The story of early modern medicine with its extremes of scientific brilliance and barbaric practice has long held a fascination for scholars The great discoveries of Harvey and Jenner sit incongruously with the persistence of Galenic theory superstition and blood letting Yet despite continued research into the period as a whole most work has focussed on the metropolitan centres of England Scotland and France ignoring the huge range of national and regional practice This collection aims to go some way to rectifying this situation providing an exploration of the changes and developments in medicine as practised in Ireland and by Irish physicians studying and working abroad during the seventeenth and eighteenth centuries Bringing together research undertaken into the neglected area of Irish medical and social history across a variety of disciplines including history of medicine Colonial Latin American history Irish and French history it builds upon ground breaking work recently published by several of the contributors thereby augmenting our understanding of the role of medicine within early modern Irish society and its broader scientific and intellectual networks By addressing fundamental issues that reach beyond the medical institutions the collection expands our understanding of Irish medicine and throws new light on medical practices and the broader cultural and social issues of early modern Ireland Europe and Latin America Taking a variety of approaches and sources ranging from the use of epistolary exchange to the study of medical receipt books legislative practice to belief in miracles local professionalization to international networks each essay offers a fascinating insight into a still largely neglected area Furthermore the collection argues for the importance of widening current research to consider the importance and impact of early Irish medical traditions networks and practices and their interaction with related issues such as politics gender economic demand and religious belief [Cultures of Care in Irish Medical History, 1750-1970](#) C. Cox, M. Luddy, 2010-11-24 Exploring aspects of Irish medical history from the nature and proposed remedies for various illnesses in eighteenth century Ireland to the treatment of influenza in twentieth century Ireland this book shows how the cultures of medical care evolved over three centuries **Early Modern Ireland and the world of medicine** John Cunningham, 2019-05-14 This book contains substantial new historical research on medicine in early modern Ireland Its twelve chapters address a variety of subjects and situate them in appropriate contexts The main focus is on medical practitioners and their place in Irish society The book makes a major contribution to scholarship on early modern medicine **Social change and everyday life in Ireland, 1850-1922** Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on

extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

Growing Up in Nineteenth-Century Ireland Mary Hatfield, 2019-10-03 Why do we send children to school Who should take responsibility for children s health and education Should girls and boys be educated separately or together These questions provoke much contemporary debate but also have a longer often overlooked history Mary Hatfield explores these questions and more in this comprehensive cultural history of childhood in nineteenth century Ireland Many modern ideas about Irish childhood have their roots in the first three quarters of the nineteenth century when an emerging middle class took a disproportionate role in shaping the definition of a good childhood This study deconstructs several key changes in medical care educational provision and ideals of parental care It takes an innovative holistic approach to the middle class child s social world by synthesising a broad base of documentary visual and material sources including clothes books medical treatises religious tracts photographs illustrations and autobiographies It offers invaluable new insights into Irish boarding schools the material culture of childhood and the experience of boys and girls in education

Gender and Medicine in Ireland Margaret H. Preston, Margaret Ó hÓgartaigh, 2012-11-27 The essays in this collection examine the intersections between gender medicine and conventional economic political and social histories in Ireland between 1700 and 1950 Gathering many of the top voices in Irish studies and the history of medicine the editors cover a range of topics including midwifery mental health alcoholism and infant mortality Composed of thirteen chapters the volume includes James Kelly s original analyses of eighteenth century dental practice and midwifery placing the Irish experience in an international context Greta Jones in an exploration of a

disease that affected thousands in Ireland explains the reasons for higher tuberculosis mortality among women Several essays call attention to the attempted containment of disease exploring the role of asylums and the gendered attitudes toward insanity and reform Contributors highlight the often neglected impact of nurses and midwives occupations traditionally dominated by women Presenting a social history of Irish medicine the disparate essays are united by several common themes the inherent danger of life in eighteenth and nineteenth century Ireland the specific brutality of women s lives at the time and the heroics of several enlightened figures *Ireland's History* Kenneth L. Campbell,2013-12-05 Ireland s History provides an introduction to Irish history that blends a scholarly approach to the subject based on recent research and current historiographical perspectives with a clear and accessible writing style All the major themes in Irish history are covered from prehistoric times right through to present day from the emergence of Celtic Christianity after the fall of the Roman Empire to Ireland and the European Union secularism and rapprochement with the United Kingdom By avoiding adopting a purely nationalistic perspective Kenneth Campbell offers a balanced approach covering not only social and economic history but also political cultural and religious history and exploring the interconnections among these various approaches This text will encourage students to think critically about the past and to examine how a study of Irish history might inform and influence their understanding of history in general *Custody, Care and Criminality* Brendan Kelly,Harry Kennedy,2014-09-01 In this fundamentally important work Professor Brendan Kelly explores the background to Irish psychiatry in the nineteenth and early twentieth centuries charting its progress and development Using detailed case studies from the original records the author examines some of the more unusual treatments explored and the history behind them What emerges is a collection of piercing untold stories of crime and illness drama and tragedy They are filled with a sense of the powerlessness of those detained and the dedicated and sometimes misguided enthusiasm of those trying to help This book sheds important light on the foundations for the treatment of mental illness in Ireland *Strangling Angel* Michael Dwyer,2018 The first comprehensive history of the anti diphtheria campaign and the factors which facilitated or hindered the rollout of a national childhood immunization programme in Ireland Dwyer charts how this national goal was marked by conflict and tragedy and placed Ireland on the European frontline of the bacteriological revolution **Traditional Medicine in the Irish Literary Revival** Holly May Walker-Dunseith,2025-03-21 This book explores representations of traditional medicine and healing practices in Irish Revival era literature spanning from the late nineteenth century to the early twentieth century Specifically the book focuses on the work of William Butler Yeats Lady Augusta Gregory and John Millington Synge The author examines folk medical practices and analyses how folk medicine appears in literature bringing to light fresh contexts and materials including diaries letters folklore collections and medical texts By writing the first book to explore the place of traditional medicine in Irish literature Walker Dunseith sheds light on a distinctive area of Irish life and practice that gestures towards the possibility of a culture and nation in the act of healing itself and questioning

nationalistic discourses **Intellectual Disability and Ireland, 1947-1996** David Kilgannon, 2023-10-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library Intellectual Disability and Ireland 1947 1996 explores the varied experiences of the intellectually disabled during the latter half of the mid twentieth century in Ireland Addressing the evolution of disability policies and provision it shows how a range of different actors became engaged in shaping the disability services landscape during this period Drawing on a variety of sources from government memoranda to RT television programmes David Kilgannon traces the development of disability services on paper and in reality This narrative is marked by instances of both striking transformation and significant continuity as the emergence of new policy thinking occurred in tandem with the consolidation of established approaches The book describes not only how services changed but why offering a unique perspective on the evolution of Irish social policy in the post war years *Urban Spaces in Nineteenth-Century Ireland* Georgina Laragy, Olwen Purdue, Jonathan Jeffrey Wright, 2018-11-15 Urban Spaces in Nineteenth Century Ireland is a wide ranging and innovative collection of essays which offers new insights on the Irish urban experience Adopting a spatial approach the essays presented in this collection move beyond study of events that happened and people who lived in the towns and cities of nineteenth century Ireland instead exploring the ways in which particular urban spaces were constructed and experienced Focusing on a range of urban spaces from individual streets and districts to schools asylums and entire cities they highlight both the multifaceted nature of the Irish urban experience and the potential of the spatial approach to the study of history List of contributors Olwen Purdue Jonathan Jeffrey Wright Laura Johnstone Matthew Potter Jonathan Jeffrey Wright Mary Hatfield Olwen Purdue Gillian Allmond Georgina Laragy Mary Jane Boland and Oliver Betts *Hearing Voices* Brendan Kelly, 2016-11-07 Hearing Voices The History of Psychiatry in Ireland is a monumental work by one of Ireland s leading psychiatrists encompassing every psychiatric development from the Middle Ages to the present day and examining the far reaching social and political effects of Ireland s troubled relationship with mental illness From the Glen of Lunatics said to cure the mentally ill to the overcrowded asylums of later centuries with more beds for the mentally ill than any other country in the world Ireland has a complex unsettled history in the practice of psychiatry Kelly s definitive work examines Ireland s unique relationship with conceptions of mental ill health throughout the centuries delving into each medical breakthrough and every misuse of authority both political and domestic for those deemed to be mentally ill Through fascinating archival records Kelly writes a crisp and accessible history evaluating everything from individual case histories to the seismic effects of the First World War and exploring the attitudes that guided treatments spanning Brehon Law to the emerging emphasis on human rights Hearing Voices is a marvel that affords incredible insight into Ireland s social and medical history while providing powerful observations on our current treatment of mental ill health in Ireland **Bulletin of the History of Medicine** ,2006 Includes the Transactions of the 15th annual meetings of the American Association of the History of Medicine 1939 **The**

Oxford History of the Irish Book, Volume IV James H. Murphy, 2011-09 Volume IV The Irish Book in English 1800 1891 details the story of the book in Ireland during the nineteenth century when Ireland was integrated into the United Kingdom The chapters in this volume explore book production and distribution and the differing of ways in which publishing existed in Dublin Belfast and the provinces *Western Maternity and Medicine, 1880-1990* Janet Greenlees, Linda Bryder, 2015-10-06 The contributors to this collection look into the experiences of women in the Western world going through pregnancy and birth over the last hundred years **A Century of Service** Mark Loughrey, 2019-03-11 In February 1919 20 nurses and midwives meeting in Dublin to discuss their poor working conditions took a historic decision to establish a trade union the first of its kind in the world The Irish Nurses and Midwives Organisation INMO now numbers 40 000 and is Ireland s largest nurse and midwife representative association This book examines the heady social and economic backdrop that gave birth to the INMO putting names and faces to the founders and delving into the challenges they encountered It details the Organisation s conservative middle years and its recent emergence as one of the most vocal protagonists for nurses midwives and patients in Ireland while also exploring the vast and varied service that the Organisation provides to its members The prospect of a nurses or midwives strike always raises concerns for patient welfare and the book looks closely at how the INMO has negotiated this tension most especially during the 1999 national nurses strike one of the largest strikes in Irish history A Century of Service is brought to life by a fascinating series of in depth interviews with the INMO s members and leaders in a story of an organisation that with talent tact and tenacity is delivering despite the odds *Mother and child* Lindsey Earner-Byrne, 2017-10-03 This fascinating book provides a detailed account of the history of maternity and child welfare in Dublin between 1922 and 1960 In so doing it places maternity and child welfare in the context of twentieth century Irish history offering one of the only accounts of how women and children were viewed treated and used by key lobby groups in Irish society and by the Irish state Mother and child is of critical importance to understanding the political and social history of modern Ireland as it examines the responses of the State the church voluntary groups and women to the emergence of the welfare State in Ireland As such it makes a welcome contribution to Irish political social medical and gender history

Patients Potions And Physicians A Social History Of Medicine In Ireland Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patients Potions And Physicians A Social History Of Medicine In Ireland has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patients Potions And Physicians A Social History Of Medicine In Ireland has opened up a world of possibilities. Downloading Patients Potions And Physicians A Social History Of Medicine In Ireland provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patients Potions And Physicians A Social History Of Medicine In Ireland has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patients Potions And Physicians A Social History Of Medicine In Ireland. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patients Potions And Physicians A Social History Of Medicine In Ireland. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patients Potions And Physicians A Social History Of Medicine In Ireland, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the

ability to download Patients Potions And Physicians A Social History Of Medicine In Ireland has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Patients Potions And Physicians A Social History Of Medicine In Ireland Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Patients Potions And Physicians A Social History Of Medicine In Ireland is one of the best book in our library for free trial. We provide copy of Patients Potions And Physicians A Social History Of Medicine In Ireland in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Patients Potions And Physicians A Social History Of Medicine In Ireland. Where to download Patients Potions And Physicians A Social History Of Medicine In Ireland online for free? Are you looking for Patients Potions And Physicians A Social History Of Medicine In Ireland PDF? This is definitely going to save you time and cash in something you should think about.
