Patronage In British Government:

Patronage in British Government Peter G. Richards, 1963 **Party Patronage and Party Government in European Democracies** Petr Kopecký, Peter Mair, Maria Spirova, 2012-07-26 *Party Patronage and Party Government in European Democracies* brings together insights from the worlds of party politics and public administration in order to analyze the role of political parties in public appointments across contemporary Europe Based on an extensive new data gathered through expert interviews in fifteen European countries this book offers the first systematic comparative assessment of the scale of party patronage and its role in sustaining modern party governments Among the key findings are First patronage appointments tend to be increasingly dominated by the party in public office rather than being used or controlled by the party organization outside parliament Second rather than using appointments as rewards as used to be the case in more clientelistic systems in the past parties are now more likely to emphasize appointments that can help them to manage the infrastructure of government and the state In this way patronage becomes an organizational rather than an electoral resource Third patronage appointments are increasingly sourced from channels outside of the party thus helping to make parties look increasingly like network organizations primarily constituted by their leaders and their personal and political hinterlands *Comparative Politics* is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.essex.ac.uk/ecpr The *Comparative Politics* series is edited by Professor David M Farrell School of Politics and International Relations University College Dublin Kenneth Carty Professor of Political Science University of British Columbia and Professor Dirk Berg Schlosser Institute of Political Science Philipps University Marburg

Patronage, Politics, and Literary Traditions in England, 1558-1658 Cedric Clive Brown, 1993 **UK Government & Politics** Andy Williams, 1998 This edition is revised in the light of the change of government in 1997 and the compulsory UK sections of the A levels syllabuses Additions include comparisons with the USA and Europe Europe and party politics

The Oxford Handbook of British Politics Matthew Flinders, 2009-07-16 *The Oxford Handbook of British Politics* provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area

Delegated Governance and the British State Matthew Flinders, 2008-08-21 A wide ranging and provocative new interpretation of the increasingly important role of delegated public bodies in British political life *Protection, Patronage, or Plunder? British Machinations and (B)uganda's Struggle for Independence* Apollo N. Makubuya, 2019-01-17 In the scramble for Africa Britain took a lion's share of the continent It occupied and controlled vast territories including the Uganda Protectorate which it ruled for 68 years Early administrators in the region encountered the progressive kingdom of Buganda which they incorporated into the British Empire Under the guise of protection indirect rule and patronage Britain

overran plundered and disempowered the kingdom's traditional institutions. On liquidation of the Empire Buganda was coaxed into a problematic political order largely dictated from London. Today 56 years after independence the kingdom struggles to rediscover itself within Uganda's fragile politics. Based on newly declassified records this book reconstructs a history of the machinations underpinning British imperial interests in Buganda and the personalities who embodied colonial rule. It addresses Anglo-Uganda relations demonstrating how Uganda's politics reflects its colonial past and the forces shaping its future. It is a far-reaching examination of British rule in Buganda questioning whether it was designed for protection for patronage or for plunder.

Politics and Governance in the UK Michael Moran, 2017-10-13 The third edition of this comprehensive and innovative textbook provides an invaluable narrative and insight into the ever-changing landscape of British politics. Updated to cover the 2015 General Election, the Scottish independence referendum and changing relations with the European Union, this extensively revised new edition sets out to provide students with a clear understanding of the core features of British politics and contemporary governance as well as an examination of the way in which the governing process is becoming increasingly multi-level and multi-agency. Written in a concise and accessible style by one of the leading authors in the field, this engaging text provides an illuminating framework that draws on the range of analytical issues and theoretical debates in the study of British politics. Through Moran's unrivalled account of the way Britain is governed it is clear to see why this text continues to be essential reading for undergraduate students of British politics.

Patron-Client Politics and Elections in Hong Kong Bruce Kam-kwan Kwong, 2009-12-04 Examines whether patron-client relations are critical to the electoral victory of candidates, how the political elites cultivate support from clients in order to obtain more votes during local elections, and tests the extent to which whether patron-client relations are crucial in order for candidates to obtain more ballots during elections.

Antonio Canova and the Politics of Patronage in Revolutionary and Napoleonic Europe Christopher M. S. Johns, 1998-01-01 The sculptor Antonio Canova was the most celebrated artist of a perilously protean and fractious era. In revolutionary and Napoleonic Europe, while other artists bent to the will of the political powers that commissioned their work, producing art in the service of the state, Canova managed to resist both threats and blandishments. Although he held strong opinions on the issues of his day, he avoided direct political or ideological engagement in his sculpture. Christopher M. S. Johns presents the first sustained study of Canova's career in relation to his patrons and contemporary politics. In it, he enlarges our understanding of an artist whose work is crucial to the evaluation of European art and political history.

Urban Patronage in Early Modern England Catherine F. Patterson, 1999 This study of politics in early modern England uses the relations between provincial towns, the landed elite, and the crown to argue that the growth of personal connections and patronage as

much as of conflict explains the development of early modern government It shows how patronage was a vital tool that suited both local needs and the royal will *A Dictionary of British and Irish History* Robert Peberdy, Philip Waller, 2020-11-10 An authoritative and extensive resource for British and Irish history Quickly access basic information on the history of the British Isles from this reliable resource A Dictionary of British and Irish History provides concise information covering all periods of prehistory and history for every part of the British Isles Within this one book you ll find summary accounts of events biographies definitions of terms and far more Using alphabetically organized headwords readers will easily locate the content and details they seek A Dictionary of British and Irish History not only serves as a reference tool but also stimulates broader learning Entries are interrelated and cross referenced to help you expand your knowledge of different areas of history Discover comparable entries on England Ireland Scotland and Wales See overviews of major topics and historical events Get facts instantly or browse entries Use the Dictionary as an information source or a launch point for expanding knowledge This reference book will become an essential resource for students of British and Irish history as well as for professionals journalists teachers and those who use historical information in their work Further anyone wanting to establish the basics of the history of the British Isles will find this a valuable addition to their library **The Politics of Patronage**

Appointments in Latin American Central Administrations Francisco Panizza, B. Guy Peters, Conrado Ramos Larraburu, 2022-10-18 Although merit system selection and management of public personnel is thought of as the standard for good governance public employees frequently are appointed by political officials rather than being members of a career civil service In fact there has been an increase in the level of patronage appointments and politicization of public administration over the past several decades as political leaders attempt to impose their control over the public bureaucracy Although widespread patronage appointments in the public sector are particularly important in Latin America where there is a tradition of extensive patronage *The Politics of Patronage Appointments in Latin American Central Administrations* seeks to understand the motivations of patrons when they make appointments the roles appointees play the skills required to play these roles and what accounts for different modalities of patronage It moves beyond the conventional condemnation of patronage to examine the multiple uses of political appointments which can be crucial for obtaining the services of highly qualified individuals who otherwise might not be willing to work in the public sector **Exile and Patronage** Andrew

Chandler, Katarzyna Stokłosa, Jutta Vinzent, 2006 *Exile and Patronage* is an innovative new study which explores the migration of refugees from National Socialism from the perspective of patronage The thirteen essays are divided into three parts art and music the churches and political refugees Individual case studies look at the relationships which came to life around George Bell Bishop of Chichester the Berger family Michael Croft Heinz Kappes Gerhard Leibholz Robert Bruce Lockhart Rowmund Pisudski Jack Pritchard Hans Ansgar Reinhold and Luigi Sturzo The book also examines the iconography of patronage and studies particular works which received support in exile such as Wagner s *Buhnenweihfestspiel* **Court**

Patronage and Corruption in Early Stuart England Linda Levy Peck, 2003-08-29 This wide ranging volume goes to the heart of the revisionist debate about the crisis of government that led to the English Civil War The author tackles questions about the patronage that structured early modern society arguing that the increase in royal bounty in the early seventeenth century redefined the corrupt practices that characterized early modern administration **Asiatic Journal and Monthly Register for British and Foreign India, China and Australasia** ,1833 **The Asiatic journal and monthly register for British and foreign India, China and Australasia** ,1833 *The Asiatic Journal and Monthly Register for British and Foreign India, China, and Australia* ,1833 Making the Irish American J.J. Lee, Marion R. Casey, 2007-03 Explores the history of the Irish in America offering an overview of Irish history immigration to the United States and the transition of the Irish from the working class to all levels of society *Remarks on the State of the Scottish Church, Cape Town, in reply to a letter which appeared in the "Calcutta Free Churchman," etc* George MORGAN (Minister of the Scottish Church, Cape Town.), 1846
