Transportation Investment and Pricing Principles Martin Wohl,Chris Hendrickson,1984 **Nationalized Industry and Public Ownership** William Robson,2022-01-26 First Published in 1960 Nationalized Industry and Public Ownership is

concerned with the state of nationalized industries in Britain in the context of the wider sphere of public enterprise in the world. It critically examines themes like the motives and background of nationalization, the state of public corporation in Britain, public utilities as monopoly, parliamentary debates and questions regarding government control, the idea of public accountability, the status of consumers councils and the link between labour relations and public ownership. This book is an important historical document for scholars and researchers of public administration, political economy, British economy, labour economics and British labour history. *The Public Economy of Urban Communities* Julius Margolis, 2016-03-22. Originally published in 1965, Margolis brings together a wide variety of papers on a multitude of subjects relating to the urban public economy presented at the second conference on urban public expenditures in 1964. This collection covers issues such as criteria for decision making in urban public spending, public and private supply and the political and voting behaviour of urban economies in order to contribute to the development of new analytical models and techniques as well as to disseminate findings of research results to a larger audience. This title will be of interest to those studying Environmental studies and Economics as well as professionals. Special Report - Highway Research Board National Research Council (U.S.). Highway Research Board, 1966. Non-Market Controls and the Accountability of Public Enterprises in Tanzania Paschal Mihyo, 1994-06-18. Locates the inefficiencies of the traditional public enterprise model within its management and contextual factors. The former include overprotection from consumer liability, statutory power to commit wrongs with impunity and legal limitations on their liability for negligence. *Public Enterprises In Pakistan* Robert Laporte, Muntazar Bashir Ahmed, 2019-07-11. This book contains a study of the economics and management of public enterprises in Pakistan. It examines their performance, organizational behavior, relationships with other government organizations outside of the sector and the issues that confront the public enterprise sector and the government. **Public Enterprise Economics** Dieter Bös, 2014-07-15. Advanced Textbooks in Economics Volume 23. Public Enterprise Economics: Theory and Application focuses on economics, mathematical economics and econometrics including microeconomics, marginal cost pricing, taxes and income effects. The manuscript takes a look at the essential parts of public sector pricing models, normative optimum theory and normative piecemeal theory. Discussions focus on welfare improvements with non-tight constraints, welfare improving increases of public inefficiency, conditions for optimal prices and quantities compensating for income effects and conditions for optimal quality. The book then ponders on marginal cost pricing, Ramsey pricing, rate of return regulation and pricing with distributional aims. Topics include comparing distributional and allocative pricing, prices versus taxes, optimum Ramsey policy, influence of Ramsey prices on allocation, distribution and stabilization and consequences for allocation, distribution and stabilization. The publication examines bus and underground services in London, economic theory and empirical analysis and different approaches towards optimal quality including empirical studies on bus and underground demand, organizational and political history and microeconomics of the representative consumer. The book is a valuable source of data for researchers.
