Reclaim Your Body Reclaim Your Li:

Reclaiming Your Body Suzanne Scurlock-Durana, 2017-05-15 A guided tour through the body's innate healing powers. Many of us have learned to ignore, deny, or even mistrust the wise messages our bodies give us. The result is that when trauma strikes a time when we need every aspect of our beings to master the challenge, we may find ourselves disconnected from our greatest strengths. Suzanne Scurlock Durana, who has spent thirty years studying the gifts of the body and teaching thousands how to reclaim them, began to recognize this strength which she likens to a GPS when she herself experienced a life-threatening trauma. Here she walks readers through different areas of the body, revealing the wisdom they hold and how to reconnect with that wisdom. As she shows in this warm, compassionate book, the body's abilities are always available; we must simply reconnect with them.

Reclaiming Life Alia Stevenson, 2021-12-30 Alia Stevenson was unaware that her own happiness was the cornerstone of her family's success. Stevenson's mindset was crooked. Her health was deteriorating; her happiness had vanished, and her stress levels were out of control. The heartache, confusion, and disappointment Alia battled with engulfed her. Allowing stressful situations to build upon themselves resulted in Alia becoming unstuck. No one intentionally decides to destroy their own health, but one is required to intentionally reclaim their health. In *Reclaiming Life*, Stevenson reveals hers and her family's inspirational journey. How they improved their health and well-being and why. Sharing with you how nourishing your body, overcoming stressful situations, making conscious decisions to eradicate toxic friendships, managing your sleep, and finding gratitude in living every day can change your life. *Reclaiming Life* helps you understand that your health is your responsibility and the only person who can help you achieve great results is you. Stevenson divulges how uncomplicated living a healthy lifestyle can be and explains how everything is connected. Alia shares her six steps, beginning with your mindset, your nutrition, and your sleep pattern, to developing an attitude for gratitude and how exercising regularly and feeding your gut microbiome can improve your health and happiness.

A Woman's Strength: Reclaiming Life After Miscarriage Pasquale De Marco, 2025-03-19 In this poignant and empowering guide, we navigate the tumultuous journey of miscarriage, a profound loss that often goes unrecognized and inadequately addressed. Through compassionate storytelling and practical guidance, we provide a lifeline of support and understanding for those grappling with this life-altering event. With empathy and sensitivity, we delve into the emotional rollercoaster of miscarriage, validating the myriad emotions that wash over you from shock and disbelief to sorrow, anger, and despair. We explore the physical and psychological impact of this loss, offering guidance on navigating the medical aspects and coping with the hormonal and emotional shifts. Recognizing the intricate web of relationships affected by miscarriage, we examine how it can strain or strengthen the bonds between partners, family, and friends. We provide insights into effective communication and support strategies, fostering a network of compassionate care that can help you weather this storm. We emphasize the importance of self-care and resilience, offering practices that nurture your physical and emotional well-being. From

mindfulness and meditation to creative expression and journaling you will discover ways to honor your grief embrace your inner strength and find moments of peace and solace amidst the pain Acknowledging that the healing journey is unique to each individual we provide guidance on seeking professional support when needed Whether it s therapy support groups or other forms of counseling we help you find the resources that can best support your recovery Throughout this book you will find solace in the knowledge that you are not alone Miscarriage is a shared experience that affects countless individuals and families By coming together sharing our stories and learning from one another we can create a community of understanding and support where healing and hope can flourish Together we can reclaim our lives rebuild our dreams and emerge from this experience stronger and more resilient If you like this book write a review
