Reclaiming Your Children For The Faith:

Nurturing Your Child's Soul Timothy Jones,2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven't done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present *Reclaiming Your Land* Shari Lordi,2017-06-29 As I was approaching my mid forties I was as weary and broken as a human being could be Living in bondage for several years had taken its toll on me I was barely existing Although the Spirit of God was always with me I was unable to gain a breakthrough until I finally and totally surrendered ALL to the Lord Jesus Christ When I let go of everything regardless of what the outcome could or would be was when the miraculous began to take place and happen in my life The Holy Spirit used simple and practical elements in nature to impart deep and life changing revelation into my soul One of the most powerful breakthroughs I received was given to me through the revelation of the metamorphosis process that butterflies go through It was through that journey that the blinders began to slowly fall off Born into a fallen world we must have a transformation experience through the redemption and shed blood of Jesus Christ Just as the butterfly goes through that very painful transition from what was to what is to be from the old man to the new creation we as children of God must also go through this process Liberation is beautiful and so worth the process Remember once a caterpillar transforms from crawling on the ground to a beautiful butterfly soaring through the air he can never go back He is a new creation Not a perfect creation but a new creation You can be Free Jesus really does love You [From Abused to Protector: Claiming Your Life After Your Church Sexually Abuses You A Story of Hope, Forgiveness and Triumph](#) Kenneth Joe,2007-09-01 A powerful personal story that details the pain and shame associated with being abused by Clergy in the Church Kenneth Joe tells his story with courage and disregard for the embarrassment that is often left lingering with the victim This book is an inspiration to anyone who has suffered hurt and gives a blueprint to conquering the pain instead of letting it consume and fracture the soul Kenneth Joe ultimately teaches us that forgiveness is what heals the scars and gives the victim an opportunity to own their story and also transform from victim to triumphant survivor From Abused to Protector Claiming Your Life After Your Church Sexually Abuses You A Story of Hope Forgiveness and Triumph gives a map to the road the Church Child Welfare and Society must take to ensure pedophiles are given no place to hide and are never protected from justice no matter what their position in Church or Society maybe [It's My Life Now](#) Meg Kennedy Dugan,Roger R. Hock,2013-08-21 Those who have never experienced an abusive or violent relationship often believe that upon finding a way out victims difficulties are solved their life is good they are safe and recovery will be swift However survivors know that leaving is not the end of the nightmare it is the beginning of an often difficult and challenging journey toward healing and happiness It's My Life Now offers readers the practical guidance emotional reassurance and

psychological awareness that survivors of relationship abuse and domestic violence need to heal and reclaim their lives after leaving their abusers Since its publication in 2000 It s My Life Now has been highly successful as a working manual for survivors who are starting their lives over after an abusive relationship This valuable book combines direction on practical and emotional issues with worksheets and self exploration exercises Now in the second edition Dugan and Hock include updated information and resources while encompassing a wider range of individuals and the relationships in which abuse and violence occur The new edition also provides a new emphasis on safety assessment which has increasingly been shown to be a critical factor in recovery In addition this new edition includes current resources and information about organizations for victims along with revised and enhanced strategies to help survivors move forward on the path of recovery **Claiming**
