Recollections Of Anaïs Nin By Her Contemporaries:

Recollections of Anaïs Nin Benjamin Franklin, 1996 *Recollections of Anaïs Nin* presents Nin through the eyes of twenty six people who knew her She is the unconventional distant aunt the thoughtful friend the owner of a strangely disarming voice the author eager for attention yet hypersensitive to criticism the generous advisor to a literary magazine the adulteress the beautiful septuagenarian the recommender of books the contributors elaborate on these and many other perceptions of Nin Readers of this book will meet one of the most enigmatic literary women of the twentieth century *Multicultural Writers from Antiquity to 1945* Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer's critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world *Anaïs Nin* Clara Oropeza, 2018-08-06 *Anaïs Nin A Myth of Her Own* traces Nin's literary craft by following the intimacy of self exploration and poetic expression attained in the details of the quotidian transfigured into fiction By digging into the mythic tropes that permeate both her literary diaries and fiction this book demonstrates that Nin constructed a mythic method of her own revealing the extensive possibilities of an opulent feminine psyche Clara Oropeza demonstrates that the literary diary for Nin is a genre that with its traces of trickster archetype among others reveals a mercurial yet particular understanding of an embodied and at times mystical experience of a writer The cogent analysis of Nin's fiction alongside the posthumously published unexpurgated diaries within the backdrop of emerging psychological theories further illuminates Nin's contributions as an experimental and important modernist writer whose daring and poetic voice has not been fully appreciated By extending research on diary writing and anchoring Nin's literary style within modernist traditions this book contributes to the redefinition of what literary modernism was comprised who participated and how it was defined *Anaïs Nin A Myth of Her Own* is unique in its interdisciplinary expansion of literature literary theory mythological studies and depth psychology By considering the ecocritical aspects of Nin's writing this book forges a new paradigm for not only Nin's work but for critical discussions of self life writing as a valid epistemological and aesthetic form This impressive work will be of

edited diaries and the carefully constructed persona they presented It was not until decades later when the diaries were published in their unexpurgated form that the world began to learn the full details of Nin s fascinating life and the emotional and literary high wire acts she committed both in documenting it and in defying the mores of 1950s America Trapeze begins where the previous volume Mirages left off when Nin met Rupert Pole the young man who became not only her lover but later her husband in a bigamous marriage It marks the start of what Nin came to call her trapeze life swinging between her longtime husband Hugh Guiler in New York and her lover Pole in California a perilous lifestyle she continued until her death in 1977 Today what Nin did seems impossible and what she sought perhaps was impossible to find harmony and completeness within a split existence It is a story of daring and genius love and pain largely unknown until now **Anais**
