La Malinche in Mexican Literature Sandra Messinger Cypess, 2010-07-05 Of all the historical characters known from the time of the Spanish conquest of the New World none has proved more pervasive or controversial than that of the Indian interpreter guide mistress and confidante of Hern n Cort s Do a Marina La Malinche Malintzin The mother of Cort s s son she becomes not only the mother of the mestizo but also the Mexican Eve the symbol of national betrayal Very little documented evidence is available about Do a Marina This is the first serious study tracing La Malinche in texts from the conquest period to the present day It is also the first study to delineate the transformation of this historical figure into a literary sign with multiple manifestations Cypess includes such seldom analyzed texts as Ireneo Paz s Amor y suplicio and Do a Marina as well as new readings of well known texts like Octavio Paz s El laberinto de la soledad Using a feminist perspective she convincingly demonstrates how the literary depiction and presentation of La Malinche is tied to the political agenda of the moment She also shows how the symbol of La Malinche has changed over time through the impact of sociopolitical events on the literary expression

Plotting Women Jean Franco, 1989 Where is the common ground for feminist theory and Latin American culture Jean Franco explores Mexican women s struggle for interpretive power in relation to the Catholic religion the nation and post modern society and examines the writings of women who wrote under the shadow of recognized male writers as well as the works of more marginal figures In this original and skillfully written book Franco demonstrates the many feminisms that emerge in apparently rigid and adverse situations and provides the foundation for a more comprehensive less ethnocentric feminst theory
