This new content brings the original up to date, filling significant gaps since the original publication on topics like technology, arts, embodiment, and of worship, pluralism, and multiculturalism. Sacraments Ray Robert Noll, 1999. Courageous Hope Leonard Doohan, 2011. Christian Symbol and Ritual Bernard Cooke, Gary Macy, 2005-09-08. In *Christian Symbol and Ritual*, Bernard Cooke and Gary Macy offer an accessible and engaging introduction to the topic written from a non-denominational perspective. Cooke and Macy demonstrate that celebration, ritual, and symbol are already central to our lives even though most do not see their actions as symbolic or ritualistic. They connect central Christian symbols to the symbols and rituals already present in everyday life and place Christian theology in a familiar context. After discussing the characteristics and functions of rituals, they explore different kinds of ritual, including those of friendship, worship, and healing. The authors also examine such questions as how rituals establish and maintain power relationships, how official rituals are different from popular Christian rituals and devotions, and how Christian rituals function in the process of human salvation.

Christian Symbol and Ritual is an invaluable resource for students, teachers, and lay readers.
