Felony Murder Guyora Binder, 2012-05-09 The felony murder doctrine is one of the most widely criticized features of American criminal law Legal scholars almost unanimously condemn it as irrational concluding that it imposes punishment without fault and presumes guilt without proof Despite this the law persists in almost every U S jurisdiction *Felony Murder* is the first book on this controversial legal doctrine It shows that felony murder liability rests on a simple and powerful idea that the guilt incurred in attacking or endangering others depends on one s reasons for doing so Inflicting harm is wrong and doing so for a bad motive such as robbery rape or arson aggravates that wrong In presenting this idea Guyora Binder criticizes prevailing academic theories of criminal intent for trying to purge criminal law of moral judgment Ultimately Binder shows that felony murder law has been and should remain limited by its justifying aims

The Concept of Justice in Islam Safraz Bacchus, 2014-10-20 The book is laid out to outline the Islamic standpoint on justice and it s high standard This manuscript will attempt to clarify a major misconception that has gained widespread acceptance in some academic circles The misconception is that the Muslim judge judges blindly according to a rigid set of outdated laws without giving due consideration to what is in the best interest of either the public or in upholding the rights of a person Finally it will seek to demonstrate how the ethical standards that govern the conduct and office of the qadi reinforces the public trust and confidence in the Islamic judicial system as a whole Given that the Islamic judiciary does not have the powers of the sword or the purse powers that are reserved for the executive and the legislative branches of government respect is said to be the greatest strength of the institution itself Islamic law requires a Muslim judge hakim or qadi to conform to the highest ethical standards both in their personal conduct and in issuing rulings that are just and seen to be just
