Australian Official Journal of Trade Marks ,1998-04 **Mega-events and social change** Maurice Roche,2017-06-05 The spectacle of major cultural and sporting events can preoccupy modern societies This book is concerned with contemporary mega events like the Olympics and Expos Using a sociological perspective Roche argues that mega events reflect the major social changes which now influence our societies particularly in the West and that these amount to a new second phase of the modernization process Changes are particularly visible in the media urban and global locational aspects of mega events Thus he suggests that contemporary mega events both in their achievements and their
