DeCorse, 2019-12-20 Integrating historical biological archaeological and applied approaches with ethnographic data from around the world Anthropology A Global Perspective is founded on four essential themes the diversity of human societies the similarities that tie all humans together the interconnections between the sciences and humanities and a new theme addressing psychological essentialism **Encyclopedia of Local History** Carol Kammen, Norma Prendergast, 2000 How is local history thought about How should it be approached Through brief succinct notes and essay length entries the Encyclopedia of Local History presents ideas to consider sources to use historical fields and trends to explore It also provides commentary on a number of subjects including the everyday topics that most local historians encounter A handy reference tool that no public historian s desk should be without Boundaries and History in Africa Willibroad Dze-Ngwa, E. S. D. Fomin, Daniel Abwa, Albert-Pascal Temgoua, 2013 This book comprises 26 well researched essays in honour of Professor Verkijika G Fanzo who retired in 2011 after over 36 years of distinguished service at universities in Cameroon Contributors include colleagues former students and close collaborators in Cameroon and beyond Contributions cover a wide range of issues related to the contested histories politics and practices of boundaries and frontiers in Africa These are themes on which Fanzo has researched published and taught extensively and earned international recognition as a leading scholar The book explores inter alia indigenous and endogenous practices of boundary

making in Africa as well as colonial and contemporary traditions practices and conflicts on and around frontiers In particular focus are disputed colonial boundaries between Cameroon and its neighbours Issues of intra and inter disciplinary frontiers politics and cultures are also addressed The volume is crowned by a farewell valedictory lecture by Fanzo Like Fanzo and his rich repertoire of publications this bumper harvest of essays is without doubt truly immortalising

History of Physical Anthropology Frank Spencer,1997 The comparative study of humans as biological organisms their evolution and their physiological and anatomical functions and ecology of primates surveys the entire field and summarizes and organizes the basic knowledge fundamental principles and development

Cultural Anthropology Raymond Scupin,2002 For introductory courses in Cultural Anthropology This textbook serves as a useful introduction to cultural anthropology by integrating ethnographic material from around the world By drawing upon classic and recent research in the field this text reflects current state of the art understandings of social and cultural changes based on the interrelationships among different societies It demonstrates the diversity of different societies and cultural patterns yet at the same time reveals similarities in humans everywhere

The Social Archaeology of Funerary Remains Rebecca Gowland,Christopher Knusel,2009-04-06 Human bones form the most direct link to understanding how people lived in the past who they were and where they came from The interpretative value of human skeletal remains within their burial context in terms of past social identity and organisation is awesome but was for many years underexploited by archaeologists The nineteen papers in this edited volume are an attempt to redress this by marrying the cultural aspects of burial with the anthropology of the deceased

The Global History of Paleopathology Jane E. Buikstra,Charlotte Roberts,2012-06-07 The first comprehensive global history of the discipline of paleopathology

Archaeology and World Prehistory Christopher R. DeCorse,2026-01-06 Archaeology and World Prehistory Unearthing Our Past emphasizes the interdisciplinary nature of the field and its interconnectedness with the four fields of anthropology sciences humanities and beyond Students new to archaeology will learn key theories and methodologies through rich examples from field work and prehistory Christopher R DeCorse challenges ethnocentrism and essentialism by highlighting the differences and similarities across cultures encouraging critical thinking cultural appreciation and global awareness
