# RECREATING **Utopia** IN THE DESERT

A Sectarian Challenge to Modern Mormonism

# Recreating Utopia In The Desert

**Janet Bennion**

## **Recreating Utopia In The Desert:**

**Recreating Utopia in the Desert** Hans A. Baer, 1988-07-08 Recreating Utopia in the Desert A Sectarian Challenge to Modern Mormonism is the account of a millenarian sect officially known as the Aaronic Order one of the main splinter groups of the Mormon Church Their story tells us much about the social tensions particularly along class lines that have emerged in Mormonism The Aaronic Order or Levites emerged as the Mormon Church evolved from a religious utopia in the Midwest to a near nation state in the Intermountain West to finally an international theocratic corporation Drawing upon the concept of revitalization movements the Levite sect is viewed as an attempt by working class Mormons to resurrect the communitarian ideals they perceived as characteristic of earlier nineteenth century Mormonism From their beginnings in the Depression the Levites have developed a series of cooperative and communal ventures in Utah based upon the revelations of Maurice Glendenning We see in the Levites the seemingly inevitable processes of institutionalization and fission characterizing revitalization movements that survive By explaining the impetus for the development of sectarian groups such as the Levites the author offers important insights for the discussion of religious communitarianism and schismatic movements in contemporary religion

Recreating Utopia in the Desert Hans A. Baer, 1988-01-01 Recreating Utopia in the Desert A Sectarian Challenge to Modern Mormonism is the account of a millenarian sect officially known as the Aaronic Order one of the main splinter groups of the Mormon Church Their story tells us much about the social tensions particularly along class lines that have emerged in Mormonism The Aaronic Order or Levites emerged as the Mormon Church evolved from a religious utopia in the Midwest to a near nation state in the Intermountain West to finally an international theocratic corporation Drawing upon the concept of revitalization movements the Levite sect is viewed as an attempt by working class Mormons to resurrect the communitarian ideals they perceived as characteristic of earlier nineteenth century Mormonism From their beginnings in the Depression the Levites have developed a series of cooperative and communal ventures in Utah based upon the revelations of Maurice Glendenning We see in the Levites the seemingly inevitable processes of institutionalization and fission characterizing revitalization movements that survive By explaining the impetus for the development of sectarian groups such as the Levites the author offers important insights for the discussion of religious communitarianism and schismatic movements in contemporary religion

Democratic Eco-Socialism as a Real Utopia Hans A. Baer, 2017-10-01 As global economic and population growth continues to skyrocket increasingly strained resources have made one thing clear the desperate need for an alternative to capitalism In Democratic Eco Socialism as a Real Utopia Hans Baer outlines the urgent need to reevaluate historical definitions of socialism commit to social equality and justice and prioritize environmental sustainability Democratic eco socialism as he terms it is a system capable of mobilizing people around the world albeit in different ways to prevent on going human socio economic and environmental degradation and anthropogenic climate change

**Desert Patriarchy** Janet Bennion, 2004-05-01 On the high desert plateau of northern

Mexico outsiders have taken refuge from the secular world Here three Anglo communities of Mormons and Mennonites have ordered their lives around male supremacy rigid religious duty and a rejection of modern technology and culture In so doing they have successfully adapted to this harsh desert environment Janet Bennion has lived and worked among these people and in this book she introduces a new paradigm desert patriarchy to explain their way of life This perspective sheds light not only on these particular communities but also on the role of the desert environment in the development and maintenance of fundamentalist ideology in other parts of the United States and around the globe Making new connections between the arid environment opposition to technology and gender ideology Bennion shows that it is the interplay of the desert and the unique social traditions and gender dynamics embedded in Anglo patriarchal fundamentalism that accounts for the successful longevity of the Mexican colonies Her model defines the process by which male supremacy female autonomous networking and religious fundamentalism all facilitate successful adaptation to the environment More than a theoretical analysis Desert Patriarchy provides an intimate glimpse into the daily lives of these people showing how they have taken refuge in the desert to escape religious persecution the forced secular education of their children and economic and political marginalization It particularly sheds light on the ironic autonomy of women within a patriarchal system showing how fundamentalist women in Chihuahua are finding numerous creative ways to access power and satisfaction in a society structured to subordinate and even degrade them Desert Patriarchy richly expands the literature on nontraditional religious movements as it enhances our understanding of how environment can shape society It offers unique insights into women s status in patriarchal communities and provides a new way of looking at similar communities worldwide

### **The Quest for Utopia in Twentieth-Century**

**America** Timothy Miller, 1998-05-01 This book is the long anticipated first volume of a two volume work that will chronicle intentional communities in the twentieth century Timothy Miller s chronological account is likely to be the standard work on the subject Communities of the early twentieth century were often obscure and short lived enterprises that left little trace of themselves Historical accounts of them are few and the ephemera such ventures produced have rarely been collected Miller first looks at the older groups that were operating until 1900 He explores their impact of the early twentieth century art colonies and then turns to a decade by decade discussion of many dozens of new groups formed up to 1960 His comprehensive perspective a synopsis of the first sixty years of this century has never before been undertaken in the study of communal groups

American Studies Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology

### **Aspects of Doctoral Research at the Maryvale International Catholic Institute (Volume Three)** Andrew B.

Morris, 2020-09-11 Established at Old Oscott in Birmingham England in 1980 the Maryvale Institute provides a variety of part

time and distance learning courses to the lay faithful consecrated religious and ministers of the Roman Catholic Church Maryvale's doctoral research programme in Catholic Studies is conducted in collaboration with and accredited by Liverpool Hope University Successful students receive an award of a Doctor of Philosophy PhD degree from the University This book is the third in a series of volumes concerned with the outcomes of that doctoral research programme It provides an overview of the breadth of work by its students in the UK USA South America and Africa and their contribution to new knowledge in the area of Catholic studies a wide field including history literature philosophy spirituality and theology Grappling with Societies and Institutions in an Era of Socio-Ecological Crisis Hans A. Baer, 2020-12-10 Grappling with Societies and Institutions in an Era of Socio Ecological Crisis is an autobiographical ethnography of the journey through various societies and institutions and how they function in the midst of an era of socio ecological crises The volume traces the steps of the author in becoming a radical anthropologist namely through the experience of immigration and naturalization from Peru to the United States and then to Australia politicization while working as an engineer in the aircraft industry during the late 1960s socialization in and subsequent exit from Roman Catholicism and experiences as an academic working in the corporate university As well the author illuminates the practices of research and engagement as a scholar activist on various topics such as the Levites of Utah and African American Spiritual churches socio political and religious life in East Germany complementary and alternative medicine the Australian climate movement and democratic eco socialism *Modern Polygamy and Mormon Fundamentalism* Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are

examined and explained in a way that all can appreciate  
Whittaker,James B. Allen,2001
