Rectify The Partys Style Of Work:

Rectify the Party's Style in Work Zedong Mao, 1955 *Marxism, History, and Intellectuals* Suman Gupta, 2000 This study focuses on that area of revolutionary socialist philosophy which is devoted to conceiving the intellectual and allocating or refusing to do so a role to the intellectual in the revolutionary process and state Through an examination of the intellectual's role the author tries to reach an understanding of the connotations and pragmatics of transformative socialism in our time Primarily this study is a survey and reexamination of the constructions of and attitudes toward intellectuals in different revolutionary socialist philosophies with particular reference to the corresponding theories of history that are implicit therein The actual process of reconceptualizing transformative socialism in our context and in the light of the above reexamination is taken up toward the end of the book in a more or less polemical fashion BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Selected Works of Mao Tse-Tung** Mao Tse-Tung, 2014-05-18

Selected Works of Mao Tse Tung Volume III focuses on the views of Mao Tse Tung on communism revolution fascism national unity and patriotism The volume first ponders on the proposition of Mao Tse Tung to reform the method and system of study within the Communist Party of China the compromise between Japan and the United States at the expense of China and the establishment of an Eastern Munich against communism and against the Soviet Union The publication also takes a look at Mao Tse Tung's position against fascism including the war against Japan and driving the Japanese imperialists out of China The book examines questions regarding methods of leadership economic and financial problems in the anti Japanese war reduction of rent and the need for comrades to do economic work The text also elaborates on the coalition government Topics include the fundamental demands of the Chinese people international and domestic situation and policy of the Chinese Communist Party The volume is a dependable source of data for readers interested in the philosophy of Mao Tse Tung on communism fascism revolution and patriotism *Political Participation in Communist China* James R. Townsend, 1972

Political Participation in Communist China , **Political Participation in Communist China** , *Translations on Communist China* United States. Joint Publications Research Service, 1968 **Rise of the Red Engineers** Joel Andreas, 2009-03-10 *Rise of the Red Engineers* explains the tumultuous origins of the class of technocratic officials who rule China today In a fascinating account author Joel Andreas chronicles how two mutually hostile groups the poorly educated peasant revolutionaries who seized power in 1949 and China's old educated elite coalesced to form a new dominant class After dispossessing the country's propertied classes Mao and the Communist Party took radical measures to eliminate class distinctions based on education aggravating antagonisms between the new political and old cultural elites Ultimately however Mao's attacks on both groups during the Cultural Revolution spurred inter elite unity paving the way after his death for the consolidation of a new class that combined their political and cultural resources This story is told through a case study of Tsinghua University which as China's premier school of technology was at the epicenter of these conflicts and

became the party's preferred training ground for technocrats including many of China's current leaders *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency, 1967 *Fundamentals of the Chinese Communist Party* Pierre Perrolle, 2017-09-08 This title was first published in 1976 From 1966 to 1969 the large scale political turmoil and intense conflicts of the Cultural Revolution in China shattered notions of institutional permanence and unshakable legitimacy that many analysts had come to associate with the Communist Party of China which had ruled the People's Republic for over fifteen years Just as the high level bureaucrats of the Party were shaken from their complacency it seemed for a time from the outside as though it could no longer be taken for granted that the Communist Party would continue to provide the institutional core for political leadership in China *Fundamentals of the Party* Tang ti chi ch u chih shih which we are translating and publishing here as *Fundamentals of the Chinese Communist Party* was published by the Shanghai People's Press in 1974 and constitutes an important source of the type needed to study the revival of the Party
