Red Lights On The Prairies:

Red Lights on the Prairies James H. Gray, 1995 An unconventional social history *Red Lights on the Prairies* takes a lively look at the history of prostitution in prairie cities in the late nineteenth and early twentieth century This lighthearted yet insightful book tells how the West became overrun with brothels when huge tides of immigrants mostly unattached young men in the prime of life swept into the region as settlers Unlike many histories of this era it focuses on the prairie cities and towns that were home to the bars brothels and poolrooms and describes the efforts of the police clergy and moral reformers who were periodically outraged by the rowdy behaviour in the bawdy houses In this ground breaking book James Gray draws upon local newspapers of the time the accounts of several former madams and the reminiscences of old timers who had been youths at the turn of the century to produce a vivid and authentic book at a colourful and offbeat aspect of our past Like its companion book *Booze* also by James Gray *Red Lights on the Prairies* was a huge success when it was first published selling more than 100 000 copies throughout North America

Rails Across the Prairies Ron Brown, 2012-06-30 Follow the evolution of the rail legacy of the Canadian Prairies from the arrival of the first engine on a barge to today's realities *Rails Across the Prairies* traces the evolution of Canada's rail network including the appearance of the first steam engine on the back of a barge The book looks at the arrival of European settlers before the railway and examines how they coped by using ferry services on the Assiniboine and North Saskatchewan Rivers The work then follows the building of the railways the rivalries of their owners and the unusual irrigation works of Canadian Pacific Railway The towns were nearly all the creation of the railways from their layout to their often unusual names Eventually the rail lines declined though many are experiencing a limited revival Learn what the heritage lover can still see of the Prairies railway legacy including existing rail operations and the stories the railways brought with them Many landmarks lie vacant including ghost towns and elevators while many others survive as museums or interpretative sites

Calgary Parks and Pathways Terry Bullick, 2007-05-22 Visitors born and raised Calgarians and the many new residents will find this friendly and informative book a great addition to a summer reading list all year long Calgary's Child Magazine From a perfectly split glacial rock at West Nose Creek Park to the mirror like oxbow pools of Griffith Woods this book is your guide to one of the comprehensive urban outdoor networks in North America On the twentieth anniversary of the Parks Foundation Calgary Terry Bullick has updated her best selling 1990s book to capture the dynamic growth and the growing appreciation of the city's parks pathways open spaces and natural areas *Calgary Parks and Pathways* A City's Treasures visits more than thirty parks and highlights the 750 kilometers of pedestrian and cycling trails that radiate from the city's rivers creeks and canals Details at a glance will prepare park users to get the most out of their very first visit with current transit access information on where to park and what facilities and activities are available and supported Whether on foot bike rollerblades or skis Calgarians and visitors will find this friendly guide a must have any season of the year

The Mounted Police and Prairie Society, 1873-1919 University of

Regina. Canadian Plains Research Center, 1998 This collection of essays presents a variety of scholarly explorations of the nature and role of the Mounties in the Prairie Provinces from the formation of the North West Mounted Police in 1873-74 to its transformation into the Royal Canadian Mounted Police in 1919-20 The essays are grouped into five broad themes: relations with First Nations, law enforcement, social issues including relations with minority groups and labour movements, characteristics of the police force and crisis and change, police-immigrant relations, response to labour unrest and the origins of domestic intelligence and counter-subversion An epilogue presents the case for the dramatic change of the force after 1919-20 and the new force's use of the positive image created by the old force *The Literary History of Alberta Volume Two* George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One: From Writing on Stone to World War Two* George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape, the stereotypes of the Indian, the Mountie and the Cowboy and the language of the Other speaking from the margins, these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source: the symbolic communication of *Writing on Stone* *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture **Frontier Cattle**

Ranching in the Land and Times of Charlie Russell Warren M. Elofson, 2004-04-28 In *Frontier Cattle: Ranching in the Land and Times of Charlie Russell* Warren Elofson debunks the myth of the American wild west and the Canadian mild west by demonstrating that cattlemen on both sides of the forty-ninth parallel shared a common experience Focusing on Montana, Southern Alberta, Southern Saskatchewan and the well-known figure of Charlie Russell, an artist and storyteller from that era who spent time on both sides of the border Elofson examines the lives of cowboys and ranch owners looking closely at the prevalence of drunkenness, prostitution, gunplay, rustling and vigilante justice in both Canada and the United States

Prairie People Robert Collins, 2011-10-12 An intimate look at the people of the prairies in Manitoba, Saskatchewan and Alberta, who they are, how they live, what makes them a breed apart The prairies are Robert Collins's spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his homeland to pay homage to the special character of the people who live in this unique region of Canada *Prairie People* is an absorbing combination of stories, anecdotes and touches of history told in the voices of ordinary people and linked by the author's own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada Prairie people are clearly not all alike city and town dwellers differ from farmers, farmers from ranchers, ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than

everybody else They are uncommonly independent and self reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada *The Prairie West: Historical Readings* R. Douglas Francis, Howard Palmer, 1992 This collection of 35 readings on Canadian prairie history includes overview interpretation and current research on topics such as the fur trade native peoples ethnic groups status of women urban and rural society the Great Depression and literature and art Fire in North American Tallgrass Prairies Scott L. Collins, Linda L. Wallace, 1990 Based on papers presented at a 1987 symposium Fire in North American Grasslands cosponsored by the Ecological Society of America and the Botanical Society of America this book represents an important contribution to key unanswered questions concerning the role of fire in grassland ecosystems How often did fires occur in the past Were they primarily natural or caused by humans At what time of year did grasslands normally burn How should fire be used as a management tool What constitutes a proper prescribed burning regime both with and without grazing **The Gardener's Guide to Prairie Plants** Neil Diboll, Hilary Cox, 2024-05-31 A comprehensive and beautifully illustrated reference for all gardeners passionate about native plants and prairie restoration The Gardener's Guide to Prairie Plants is the one stop compendium for all gardeners aspiring to use native prairie plants in their gardens Neil Diboll and Hilary Cox two renowned prairie gardeners compile more than four decades worth of research to offer a wide ranging and definitive reference for starting and maintaining prairie and meadow gardens and restorations Alongside detailed synopses of plant life cycles meticulous range maps and sweeping overviews of natural history Diboll and Cox also include photographs of 148 prairie plants in every stage of development from seedling to seedhead North America's grasslands once stretched from the Blue Ridge to the Rocky Mountains and from Texas to Manitoba blanketing the mid continent with ecologically important garden worthy native species This book provides all the inspiration and information necessary for eager native planters from across the country to welcome these plants back to their landscapes The Gardener's Guide to Prairie Plants is a must have reference for gardeners restorationists and every flora fan with a passion for native plants prairies and meadows Natural lawn enthusiasts will rejoice at this incredibly thorough volume about native prairie plants An excellent addition to any library this plant guide will prove to be a lasting resource for gardeners and nature lovers Library Journal If you are looking for the complete and I do mean complete guide to prairie ecosystems you will not do better than this much needed book Douglas W Tallamy University of Delaware

This Engaging World of E-book Books: A Thorough Guide Unveiling the Pros of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of physical books.
