between personal growth and societal pressures As the protagonist attempts to rise above his circumstances the narrative unfolds with a deep exploration of human ambition the pursuit of social mobility and the emotional struggles that accompany such endeavors Through sharp reflections on class ambition and societal values the novel offers insights into the intricacies of personal aspiration against the backdrop of a changing social order **Red and Black** Stendhal,2022-06-14 A masterpiece of nineteenth century literature in a fresh translation that fully captures the language psychology and social reach of Stendhal s original Fueled with a combustible mix of ambition naivete and Napoleonic ideals Julien Sorel sets his sights on the heights of French society But for the son of a provincial carpenter in post Napoleonic France the prospects for advancement are vanishingly narrow the chances for glory rarer yet After securing a toehold as a tutor to a wealthy family Julien proceeds through a series of misadventures illicit affairs and lucky reversals to breach the ranks of French aristocracy only to be undone by treasonous schemes cynical romantic calculations and an unexpectedly genuine and ultimately disastrous passion Shocking at the time of its original publication startling in its relevance today Stendhal s masterpiece is a scorching social satire a remarkably detailed portrait of a fraught moment in history and as perhaps the first psychological novel a brilliant precursor to modern literature at once comical and tragic cerebral and passionate This new translation faithfully reproduces the nimble wit emotional depth and social acuity of Stendhal s text Distinguished translator Raymond N MacKenzie includes an extensive introduction to Stendhal s world and time as well as copious annotations that explain allusions and terms for the modern reader **Red and the Black A Chronicle of 1830** 1783-1842; Samuel Horace Barnett Stendhal,2014 **The Red And The Black** Stendhal,2019-05-02 Some slight sketch of the life and character of Stendhal is particularly necessary to an understanding of *Le Rouge et Le Noir* The Red and the Black not so much as being the formal stuffing of which introductions are made but because the book as a book stands in the most intimate relation to the author s life and character The hero Julien is no doubt viewed superficially a cad a scoundrel an assassin albeit a person who will alternate the moist eye of the sentimentalist with the ferocious grin of the beast of prey But Stendhal so far from putting forward any excuses makes a specific point of wallowing defiantly in his own alleged wickedness Even assuming that Julien is a villain and that it is my portrait he wrote shortly after the publication of the book why quarrel with me In the time of the Emperor Julien would have passed for a very honest man I lived in the time of the Emperor So but what does it matter Horace B Samuel Taken from the introduction by the translator of *The Red And The Black* by Stendhal **The Red and the Black** Stendhal,1916 **The Red and the Black a Chronicle of 1830** Stendhal,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Red and*
