The crew meet Krysten for the first time. Holly's new invention of the Holly Hop Dater promises to take Red Dwarf back home to Earth in a mere instant. What it manages, however, is to flip the ship across the fifth dimension and land into a parallel universe.

The team goes back in time, get massacred, fight a shape-changing mutant, meet bodies, experience different lives and battle a new, more advanced android trying to make a robot. Oh, and Holly like this computer is now a female.

The Dwarves try and date a green blob, cause trouble with a CDK shaving machine, play a game of pool with some planets, meet Arnold Air Farmer and end up fighting a monster war.

However, with a twist, trying to justify his existence to a wealthy guy called The Impatient, who is a parent figure of his, and, contrary to what you'd expect, comes face-to-face with God, who is a version of himself.
