Red High Heels:

Red High Heels in Heaven Deanna Hill, 2011-09-27 On the way to Nebraska in 1986 my life was changed forever in the blink of an eye when the tour bus on which I was traveling slammed into an 18 wheel tanker After the accident and during my recovery my sister was keeping a journal which she told me was to help me write my book From time to time through the years I thought about that book especially when I would share my story at churches or one on one and people would say You need to write a book However my second thought would always be Who would ever want to read about me and I would shove the idea back to the corner of my mind where it had been hanging out for years Finally a few years ago after being introduced to a word processor I sat down and began to write my story The computer made the writing part easy enough but telling the story was one of the most difficult things I have ever done It took weeks and weeks of reading and rereading my sister's journal and digging up memories deeply buried which were painful to review I won't say it was exactly a labor of love but I am glad I finally did it It is my prayer that people will be encouraged and inspired by reading how God has brought me through it all If I seem courageous or special in any way it is because of Him
