Sons of Saviors Rebekka Voß,2023-07-04 Envisioned as a tribe of ruddy faced redheaded red bearded Jewish warriors bedecked in red attire who purportedly resided in isolation at the fringes of the known world the Red Jews are a legendary people who populated a shared Jewish Christian imagination But in fact the red variant of the Ten Lost Tribes of Israel is a singular invention of late medieval vernacular culture in Germany This idiosyncratic figure together with the peculiar term Red Jews existed solely in German and Yiddish the German Jewish vernacular These two language communities assessed the Red Jews differently and contested their significance which is to say they viewed them in different shades of red The voyage of the Red Jews through the Jewish and Christian imagination from their medieval Christian nascence through early modern Old Yiddish literature to modern Yiddish culture in Eastern Europe Palestine and America is the story of this book By studying this vernacular icon Rebekka Vo contributes to our understanding of the formation of minority awareness and the construction of Ashkenazic Jewish identity through visual cultural encounters She also spotlights the vitality of vernacular culture by demonstrating how the premodern motif of the Red Jews informed modern Yiddish literature and how the stereotype of Jewish red hair found its way into Jewish social critiques political thought and arts through the present day Sons of Saviors is a story about power the Yiddish reappropriation of the Red Jews subverted the Christian color symbolism by adjusting the focus on redness from a negative stereotype into a proud badge of self assertion The book also includes in an appendix the full text of a significant Yiddish tale featuring the Red Jews

Sanctuary V. L. Ikerd,2021-10-15 In the far future humanity has spread to nearly eight hundred planets All these planets need some very extensive terraforming to be inhabited Along the way they meet with another sentient race who after some struggles joins the human race in exploring the galaxy Now a group of explorers has discovered a planet so much like Earth that it is statistically impossible Some of the plants and animals are exact DNA matches to Earth s flora and fauna Other flora and fauna although very alien in appearance are also compatible to human life When the explorers discover the reason it rocks their beliefs to the core and changes their civilization forever This is a sci fi fantasy story designed to enthrall and delight children and adults alike and open their minds to the possibilities
