The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology

Union with Christ and the Life of Faith (Soteriology and Doxology) Fred Sanders, 2025-08-19 In this volume a top scholar in the world of evangelical theology addresses the key soteriological theme of union with Christ The book provides substantive engagement with the doctrine of participatory union including sections on the creeds Scripture the history of the doctrine constructive dogmatics and Christian praxis Its biblical point of access is Paul's theology of life in Christ understood as an invitation to a theological reading of the four gospels Special attention is given to the trinitarian structure of union with Christ This book shows students how to integrate theology into the life of faith and demonstrates how the practices of Christian worship influence theological thinking A devotional interlude directing readers to a classic hymn poem or liturgy follows each chapter The Soteriology and Doxology series consists of introductory textbooks that cover key topics in soteriology providing substantive treatments of doctrine while pointing to the setting of theology in doxology Series editors are Kent Eilers and Kyle C Strobel

The Doctrines of Grace James Montgomery Boice, Philip Graham Ryken, 2009-04-01 There is no question that we live in an age of weak theology and casual Christianity We have substituted intuition for truth feeling for belief and immediate gratification for enduring hope Evangelicalism desperately needs to return to the doctrines that once before reformed the world radical depravity unconditional election particular redemption efficacious grace and persevering grace James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace but also look briefly at

their historical impact The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical minded kind hearted and most importantly biblically based

Covenant Theology in the Reformed Perspective Mark W. Karlberg, 2000-07-31 [A Multi-Intentioned View of the Extent of the Atonement](#) Gary L. Shultz, 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

Saved by Grace Anthony A. Hoekema, 1994-09-06 This is a comprehensive dynamic and practical presentation of the biblical teaching on salvation including discussion of the role of the Spirit union with Christ the gospel call regeneration conversion repentance and more

[Seated in the Heavenly Realms](#) Young Jae Song, 2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology

Ten Biblical Concepts Yung Y. Yang, 2025-05-15 This book focuses on ten biblical words or concepts faith doubt sin salvation the kingdom of God election and predestination repentance death and the afterlife heaven and hell and eternal life Each entry begins with an introduction followed by common misconceptions clarifications corrections and debunking Then word studies biblical studies relevant theologies insights and practical implications shed further light on each word With its balanced and scholarly approach this guide empowers readers to grasp the nuances of these essential concepts enhancing their spiritual journeys and encouraging deeper engagement with Scripture It serves as an indispensable resource for those committed to strengthening their theological foundations and applying these insights to their daily faith walk

[Gospel-Centered Idolatry](#) R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled The Expulsive Power of a New Affection correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the

despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature

The Doctrine of the Holy Spirit in the Major Reformed Confessions and Catechisms of the Sixteenth and Seventeenth Centuries Yuzo Adhinarta, 2012-06-14 With the rise of Pentecostalism in the early twentieth century and growth in the charismatic movement since a resurgence of interest in the Holy Spirit and Christian spirituality in both theology and the church's life has become evident Along with increased interest in the doctrine of the Holy Spirit there are criticisms of the treatment of the doctrine in church history for having neglected the Holy Spirit in both theology and the church's life Critical studies of the treatments of the doctrine of the Holy Spirit in church history have been laboriously conducted However there have not been many studies on the doctrine of the Holy Spirit in Reformed orthodoxy particularly in its confessional standards Recognizing the gap in the history of scholarship this work explores and provides a systematic account of the person and some aspects of the work of the Holy Spirit as presented in the major Reformed confessions and catechisms of the sixteenth and seventeenth centuries Attention is particularly given to those aspects of the work of the Holy Spirit that have not been greatly explored but are pertinent to contemporary discussions *The Christian's True Identity* Jonathan Landry Cruse, 2019-10-30 With its identity politics numerous gender identity options selfies and you do you mentality society emphasizes individualism but it seems like people are having a harder time than ever figuring out who they are The problem is they are looking for their identity in the wrong places Are you seeking your identity in relationships a

career family race gender expression or other circumstances and feeling dissatisfied Then this book is for you Author Jonathan Landry Cruse offers a fresh sometimes witty truly radical freeing answer to the important question of who you are and helps you understand what the Bible has to say about everything you need for a lasting fulfilling identity that is found outside of you and in Christ Table of Contents 1 Union with Him 2 Chosen in Him 3 Pardoned in Him 4 Righteous in Him 5 Adopted in Him 6 One in Him 7 New in Him 8 Secure in Him 9 Alive in Him 10 Communion with Him *Grace Defined and Defended* Kevin DeYoung,2019-04-17 Christians love to celebrate grace but often talk about it in vague generalities But such an important biblical concept ought to be clearly defined so it can be consistently defended In this book best selling author Kevin DeYoung points modern readers back to an old document originally written to do just that Warmly pastoral and broadly accessible this book introduces readers to the Canons of Dort a 17th century work summarizing the central doctrines of the Christian faith Widely regarded as a key pillar of the Reformed tradition the Canons of Dort stand as a faithful witness to God s grace offering a depth of understanding that the church still needs today In three concise sections covering history theology and practical application DeYoung explores what led to the Canons and why they were needed the five important doctrines that they explain and Dort s place in the Reformed tradition today **PROOF** Daniel Montgomery,Timothy Paul Jones,2014-05-27 It s time to open your eyes to the freeing power of authentic grace grace that releases us from trying to earn God s favor grace that enables us to rest in the finished work of Christ grace that liberates from the tyranny of trying to please others That s what the theology of Martin Luther and John Calvin did in their own day for the people around them Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism Daniel Montgomery and Timothy Paul Jones think it s time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed **PROOF** stands for planned grace resurrecting grace outrageous grace overcoming grace and forever grace The authors offer proof of God s grace upon which people can stand against the attacks of legalism that have led many of God s people to lose sight of the freedom and joy of the gospel And this proof is intoxicating it s like a 200 proof drink that will leave you spiritually staggering at its effect on your life God s grace not only declares us not guilty in his presence it changes our relationship with God forever Meditation and Communion with God John Jefferson Davis,2012-09-13 John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud He establishes the trinitarian view of God s real presence in Scripture and then ushers readers through three successive stages of meditation consummating in a method for deep assimilation of the Christian worldview **40 Questions About Salvation** Matthew Barrett,2018-05-15 This newest contribution to the 40 Questions series continues the tradition of excellent research presented in clear user friendly writing 40 Questions About Salvation makes sense of one of Christianity s most disputed doctrines covering the most common and
