**The Bible in American Life** Philip Goff,Arthur E. Farnsley II,Peter J. Thuesen,2017-03-01 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time

surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context The Bible in American Life provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment     The Free Methodist ,1902     **The Politics of In/Visibility** Kath Woodward,2015-09-01 Visibility matters in contemporary societies online in the media and in the public eye But who is seen and how Are women still seen through a male gaze This book explores the politics of looking and being looked at and the relationship between actual and virtual worlds for example in sport art and cinema     **The Music of the Future** Martin Munro,Winthrop-King Professor of French Martin Munro,2024 In this book author Martin Munro offers a new path into Caribbean studies based on sound He argues that to understand and begin to transform the past present and future of Caribbean studies historians must do so at the node of both sound and vision It is a transnational multidisciplinary study that will interest anyone who knows or wishes to learn about the Caribbean     *Women in Christianity in the Age of Empire* Janet Wootton,2022-03-07 Women in Christianity in the Age of Empire 1800 1920 offers a broad view of the nineteenth century as a time of dramatic change particularly for women critiqued in the light of postcolonial theory This edited volume includes important contributions from academics in the field Overarching themes include the cult of domesticity the changing impact of Christianity on views of women s nature in an age of scientific thinking conflation of gospel and civilization in global mission and the exclusion of women from public spheres of life We meet powerful saints campaigners and thinkers who bring about genuine transformation in the lives of women and in society But we also recognize the long shadow of Empire in the world of the twenty first century critiquing Colonialism and Empire and views that restricted women s lives This engaging volume will be of key interest to students and scholars in Religion and Cultural Studies Exploring the complexities of the nineteenth century it draws on a range of scholarship including TV documentaries film online and more traditional academic resources     **The Bible and Bob Marley** Dean MacNeil,2013-08-27 With a Bible and guitar Bob Marley set out to conquer the world of popular music Rising from humble origins to international stardom he worked

tirelessly to spread a dual message of resistance and redemption a message inspired by his reading of scripture Marley's constant reliance on the Bible throughout the stages of his artistic and spiritual paths is an integral part of his story that has not been sufficiently told until now This is the first book written on Bob Marley as biblical interpreter It answers the question What light does biblical scholarship shed on Marley's interpretation and what can Marley teach biblical scholars Focusing on the parts of the Bible that Marley quotes most often in his lyrics MacNeil provides a close analysis of Marley's interpretation For students of Marley this affords a deeper appreciation and understanding of his thought and his art For students of scripture it demonstrates the nature of Marley's unique contribution to the field of biblical interpretation which can be appreciated as an excellent example of what R S Sugirtharajah calls vernacular interpretation of scripture Black Linguistics Arnetha Ball, Sinfrey Makoni, Geneva Smitherman, Arthur K. Spears, Foreword by Ngũgĩ wa Thiong'o, 2005-08-19 This groundbreaking collection re-orders the elitist and colonial elements of language studies by drawing together the multiple perspectives of Black language researchers Not for You Ronen Givony, 2021-10-21 There has never been a band like Pearl Jam The Seattle quintet has recorded eleven studio albums sold some 85 million records played over a thousand shows in fifty countries and had five different albums reach number one But Pearl Jam's story is about much more than music Through resilience integrity and sheer force of will they transcended several eras and shaped the way a whole generation thought about art entertainment and commerce Not for You Pearl Jam and the Present Tense is the first full length biography of America's preeminent band from Ten to Gigaton A study of their role in history from Operation Desert Storm to the Dixie Chicks Jeremy to Columbine Kurt Cobain to Chris Cornell Ticketmaster to Trump Not for You explores the band's origins and evolution over thirty years of American culture It starts with their founding and the eruption of grunge in 1991 continues through their golden age Vs Vitalogy No Code and Yield their middle period Binaural Riot Act and the more divisive recent catalog Along the way it considers the band's activism idealism and impact from W M A to the Battle of Seattle and Body of War More than the first critical study Not for You is a tribute to a famously obsessive fan base in the spirit of Nick Hornby's Fever Pitch It's an old fashioned if at times ambivalent appreciation a reflection on pleasure fandom and guilt and an essay on the nature of adolescence nostalgia and adulthood Partly social history partly autobiography and entirely outspoken discursive and droll Not for You is the first full length treatment of Pearl Jam's odyssey and importance in the culture from the 90s to the present **Ford News**, 1924
