## **Rediscovering The Triune God The Trinity In Contemporary Theology:**

**Rediscovering the Triune God** Stanley James Grenz, 2004 The last century has witnessed a revival and renewal of trinitarian theology led initially by Karl Barth The legendary puzzles of trinitarian theology have become especially vexing in an era of changed philosophical and cultural categories and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life Theologian Stanley Grenz here tells this story of trinitarian theology reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as God's inner life vs God's relationship to creation immanent and economic trinity social vs psychological analogies for the relationships within God the relationship between trinity and Christology the feminist critique of classical categories and how God's trinitarian life figures in evolution social justice and spirituality Grenz's Introduction place this ferment historically in the course of Christian thought from the patristic period to now while his Conclusion sets a future agenda for the doctrine and theology

**Rediscovering the Triune God** Stanley J. Grenz, 2014 Theologian Stanley Grenz here tells the story of trinitarian theology in the last century He analyzes the remarkable ferment in the discipline and discusses key theologians on such issues as God's inner life versus God's relationship to creation immanent and economic trinity social versus psychological analogies for the relationships within God the relationship between trinity and Christology the feminist critique of classical categories and how God's trinitarian life figures in evolution social justice and spirituality

**An Introduction to the Trinity** Declan Marmion, Rik van Nieuwenhove, 2011 This book introduces the main people and themes in the history of Trinitarian theology and analyses recent alternative readings of the tradition *The God Who Is Triune* Allan Coppedge, 2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God's nature attributes roles relationship to creation and providence

**Canadian Pentecostals, the Trinity, and Contemporary Worship Music** Michael A. Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group's trinitarian statement of faith Colin Gunton's trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton's notions of relationality particularity and perichoresis along with several key Pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith

The Cambridge Companion to the Trinity Peter C. Phan, 2011-06-30 This Companion explores how the Christian doctrine of the Trinity has been understood and articulated in the last two thousand years The Trinitarian theologies of key theologians are carefully examined and the doctrine of the Trinity is brought into dialogue with different religions as well as with other Christian beliefs Colin Gunton's Trinitarian Theology of Culture

Andrew Picard,2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought. Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation. Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation, creation, Christology, pneumatology and ecclesiology. Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship, a living sacrifice of praise which contributes to the divine redemption and perfection of creation. It is the church's particular calling to embody such praise through its visible life in community. The study concludes by intersecting Gunton's theology with the social sciences to critique ableism and consider the politics of the church's belonging in community.

*The Trinitarian Theology of Stanley J. Grenz* Jason S. Sexton,2013-09-12 Exploring one of the most controversial figures in recent evangelical theology this book thoroughly examines core features of Stanley J Grenz's Trinitarian vision.

*Christian Understandings of the Trinity* Veli-Matti Karkkainen,2017-06-15 In this creative approach to the doctrine of the Trinity author Veli Matti Karkkainen focuses on keeping a dynamic balance between the intellectual, doctrinal and spiritual/charismatic approaches as parallel avenues towards theological understanding. His narrative approach draws on direct quotations from key historical theologians to increase appreciation of their theological wisdom and to encourage students to dig further into this rich spiritual wellspring. Throughout the two thousand year span of Christian history believers in Jesus have sought to articulate their faith and their understanding of how God works in the world. How do we as we examine the vast and varied output of those who came before us understand the unity and the diversity of their thinking? How do we make sense of our own thought in light of theirs? The *Christian Understandings* series is an exciting new series that seeks to illuminate precisely these questions. The short concise volumes in the *Christian Understandings* series orient and fill in the gaps for readers as they dive into the exciting and stimulating story of Christian thought.

*The Trinity* Veli-Matti Kärkkäinen,2007-01-01 Unique for its breadth in studying theologians not only from Europe and North America but also from Latin America, Asia and Africa this landmark volume introduces the doctrine of the Trinity, examining the work and thought of contemporary theologians throughout the world. Veli Matti Karkkainen provides an overview of the biblical roots of the doctrine, discussing both the idea of plurality in God in the Old Testament and the rise of Trinitarian understandings in the New Testament. He details the historical growth of Trinitarian traditions and delves into specific theologies both Western and non-Western. Also including both an introductory consideration of the doctrine's significance and a concluding assessment and agenda for future thought, Karkkainen's *The Trinity* is the broadest and most comprehensive contemporary study on the Trinity available.

*Beyond Evangelicalism* Steven Knowles,2016-12-05 A prolific author and

thinker Stanley J Grenz was a respected and influential figure not only within evangelicalism but in the wider theological world. Amongst the many issues tackled by him it is perhaps his revisioning of evangelical theology in the light of the postmodern challenge that has caused the biggest stir in the theological world. Advocating a nonfoundationalist methodology, Grenz attempts to reposition evangelical theology in line with postmodern concerns. This work examines the main traits of postmodern thought that would seem to directly challenge how evangelical theology is traditionally done. An examination of the seminal influences on Grenz will be traced in order to understand more fully the position he takes. A rigorous critique and assessment of his theological methodology will follow with the conclusion that his work goes beyond evangelicalism. This will be the first book-length treatment on Grenz's work on theological methodology and therefore will break new ground in this important area of study.

**The New Evangelical Subordinationism?** Dennis W. Jowers, H. Wayne House, 2012-08-16

Whether and in what sense the Son of God might eternally submit to his Father's will is a question that has ignited a firestorm of controversy in today's evangelical academy. On one side stand those who regard the affirmation of any inequality whatsoever in the Godhead as a revival of ancient subordinationism. On the other stand persons who consider the Son functionally subordinate to the Father even within the immanent Trinity without respect to the Incarnation and regard their belief as integral to historic orthodoxy. Many evangelicals moreover view the issue of subordination within the Trinity as pivotal to contemporary disputes about the role of women in church, home and state. If the relations of the divine persons constitute a paradigm for human life, persons on all sides of the gender question argue human relations ought to reflect either the divine persons' exceptionless equality or their orderly differentiation of roles. At the same time others consider the issues of equality in the Trinity and gender relations irrelevant to each other and accuse both complementarians and evangelical feminists of degrading the doctrine of the Trinity into a partisan weapon. *The New Evangelical Subordinationism* gathers commentary on evangelical debates about equality and subordination in the Trinity from representatives of the gamut of perspectives just mentioned. Here evangelical theologians, biblical scholars and church historians of widely differing theological orientations address themselves to the panoply of questions raised by these debates. This volume, unprecedented in the breadth and depth of its coverage of the controversy over subordination in the Trinity, should become a standard source for teaching and research on its subject.

**Beyond Old and New Perspectives on Paul** Chris Tilling, 2014-05-05

New Testament studies are witnessing many exciting developments. And Douglas Campbell's groundbreaking publications are an important contribution to future discussions relating to Paul. Familiar problems relating to justification, old and new perspectives and much more besides have been tackled in fresh and exciting ways, setting down challenge after challenge to all those involved in Pauline studies. Campbell's publications therefore demand serious engagement. This book seeks to facilitate academic engagement with Campbell's work in a unique way. It contains numerous chapters critiquing his proposals while others summarize the key themes succinctly. But it also contains Campbell's own response to the reception of his work.

allowing him space to outline how his thinking has developed In so doing this work allows readers to be drawn into a vitally important conversation It is academic theology in the making and constitutes the cutting edge of Pauline studies

**Network Church** Andy Lord,2012-03-19 Drawing on pentecostal experience of growing church networks this book offers a systematic ecclesiology that provides a fresh approach to catholicity church structures partnership and contextualisation

Trinitarian Theology after Barth Myk Habets,Phillip Tolliday,2012-05-31 Drawing together scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes Barth s thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one It is this variety of responses to and interpretations of Barth s theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation

**Forming Leaders for the Public Church** Samuel Yonas Deressa,Mary Sue Dreier,2023-03-27 These challenging times demand that Christian churches and their leaders faithfully and effectively address diverse global situations with Gospel rooted compassion and justice These essays argue that public theology provides the trinitarian theological framework which fuels wise and compassionate public participation in God s mission within the world today Public church leaders from the Global South and Global North join their voices to explore the global implications of public theology within unique situational particularities Their essays are principally based on the public theology and theological commitments of Gary M Simpson Lutheran pastor and systematic theologian Simpson s public theology is an intersection of Lutheran theology post colonial approaches to missiology the growing field of congregational studies and the Civil Society turn in Critical Social Theory Expanding on various aspects of Simpson s public theology these essays provide a glimpse of newly emerging global public theology with leadership implications for twenty first century contexts This book calls the church to bear today s multi dimensional crises with courage mutuality and cooperation Congregations who seek to participate in God s mission by confronting these challenging realities will find encouragement through the theological reflections first hand experiences and innovative public leadership narrated in these essays

**Reforming the Doctrine of God** F. LeRon Shults,2005-11 Linking traditional attributes of God with contemporary philosophy F LeRon Shults culminates with a reformed doctrine of God that revolves around themes of God s omniscient faithfulness omnipotent love and omnipresent hope

**Relational Christianity** Wesley M. Pinkham,2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God s intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God s movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian

interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God s family The shape of the new covenant community must reflect the Father s nature Church culture must prioritize relationship in the same way the Trinity does

**Indwelling the Forsaken Other** J. Matthew Bonzo, 2009-02-01 Indwelling the Forsaken Other is a critical reading of Jurgen Moltmann s ethics of discipleship While Moltmann s notable turn to the inner life of the Trinity as a source for his reflections on the life of the church is influential it is not without problems The call emerging from Moltmann s reflection upon Trinitarian life to copy God in our relationships may offer some general direction for our actions however it also raises several questions Two important questions for this work are In what way are we to copy God and What conditions make it possible to copy God Moltmann s answers to these questions are insufficient and consequently he fails to protect the difference between Creator and creation in his analogia relationis As a result the ethical direction of Moltmann s work seems to be increasingly muddled and at best paradoxical

**Key Theological Thinkers** Svein Rise, 2016-04-22 The 20th and 21st Centuries have been characterized by theologians and philosophers rethinking theology and revitalizing the tradition This unique anthology presents contributions from leading contemporary theologians including Rowan Williams Fergus Kerr Aidan Nichols G R Evans and Tracey Rowland who offer portraits of over fifty key theological thinkers in the modern and postmodern era Distinguished by its broad ecumenical perspective this anthology spans arguably one of the most creative periods in the history of Christian theology and includes thinkers from all three Christian traditions Protestant Catholic and Orthodox Each individual portrait in this anthology includes a biographical introduction an overview of theological or philosophical writing presentation of key thoughts and contextual placing of the thinker within 20th Century religious discourse Overview articles explore postmodern theology radical orthodoxy ecumenical theology feminist theology and liberation theology A final section includes portraits of important thinkers who have influenced Christian thought from other fields not least from Continental philosophy and literature

### **Rediscovering The Triune God The Trinity In Contemporary Theology Introduction**

Rediscovering The Triune God The Trinity In Contemporary Theology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rediscovering The Triune God The Trinity In Contemporary Theology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rediscovering The Triune God The Trinity In Contemporary Theology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rediscovering The Triune God The Trinity In Contemporary Theology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rediscovering The Triune God The Trinity In Contemporary Theology Offers a diverse range of free eBooks across various genres. Rediscovering The Triune God The Trinity In Contemporary Theology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rediscovering The Triune God The Trinity In Contemporary Theology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rediscovering The Triune God The Trinity In Contemporary Theology, especially related to Rediscovering The Triune God The Trinity In Contemporary Theology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rediscovering The Triune God The Trinity In Contemporary Theology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rediscovering The Triune God The Trinity In Contemporary Theology books or magazines might include. Look for these in online stores or libraries. Remember that while Rediscovering The Triune God The Trinity In Contemporary Theology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rediscovering The Triune God The Trinity In Contemporary Theology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rediscovering The Triune God The Trinity In Contemporary Theology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Rediscovering The Triune God The Trinity In Contemporary Theology eBooks, including some popular titles.

### **FAQs About Rediscovering The Triune God The Trinity In Contemporary Theology Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rediscovering The Triune God The Trinity In Contemporary Theology is one of the best book in our library for free trial. We provide copy of Rediscovering The Triune God The Trinity In Contemporary Theology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rediscovering The Triune God The Trinity In Contemporary Theology. Where to download Rediscovering The Triune God The Trinity In Contemporary Theology online for free? Are you looking for Rediscovering The Triune God The Trinity In Contemporary Theology PDF? This is definitely going to save you time and cash in something you should think about.
