The Duke's Ballad Andre Norton, Lyn McConchie, 2005

The Duke's Ballad is the tale of Aisling a young witch from a family gifted with a magical power that she must protect from her brother Kirion who wields magic unlike the rest of the family's. He gains power only by a terrible means by killing others who wield magic. Years ago Aisling fled her native Kars when Kirion working for the Duke of Kars tried to kill her. Since Aisling's departure Kirion has tightened his insidious hold on Duke Shastro. The malevolent sorcerer's dark influence works through Shastro to cast a deadly pall over all of Kars. A fatal chain of events is triggered when Kirion pitches the people of Kars into a war with a neighboring clan. Aisling recruits her younger brother Keelan and returns in disguise determined to undermine Kirion's power and unseat his evil pawn from the throne. Accompanied also by a catlike telepathic beast Aisling becomes part of Shastro's court. But even as she begins to learn the ways of court power a brutally cold winter besieges the land testing the endurance of the people of Kars who have little cheer in that darkest season. As Kars and its people contend with Kirion's depredations the warring clan's raids and the devastating winter Aisling and Keelan must somehow through guile persistence and ingenuity find a way to avoid the attention of their dangerous older brother and save the people from his murderous sorcery. Only if they can survive Kirion's terrible power can they deliver the dukedom into the peace and prosperity it once knew.

Atlantis Endgame Andre Norton, Sherwood Smith, 2002-12-20 Andre Norton and Sherwood Smith have collaborated on Solar Queen and Time Traders novels but never before have they created as rousing an adventure as awaits Ross Murdock Gordon Ashe and the rest of the Time Patrol in Ancient Atlantis. In Earth's future when time travel has become possible the Time Patrol is the top secret government agency that protects Earth's past so that our history will not become corrupted by invaders from either our future or from other worlds. For many years Murdock Ashe and other members of the Time Patrol have contended with threats to our time continuum none more deadly than the alien Baldies who hate other high tech civilizations and want to destroy Earth. Evidence of time travel has been found in ruins dating to the ancient world in the legendary realm of Atlantis. So Murdock Ashe Eveleen Riordan and other Time Patrollers deck themselves out as foreign traders to discover whether something is amiss in Atlantis. They find that the Baldies are there as evidenced by sophisticated high tech equipment whose purpose it is impossible to fathom. As they try to derail the Baldies plot the Time Patrollers realize that time is running out on their mission when Atlantis is shaken by tremors that presage a cataclysm that may be the disaster that sank the fabulous island state. But they must be sure they act to preserve not destroy history and if they're wrong it'll be too late for them and for Earth's future.
