Jaffee V. Redmond ,1994 *The Highwayman* Matt Manochio,2017-07-10 A murdered child predator surfaces in a New Jersey bog Authorities in Pennsylvania and Ohio find more dead deviants days later as a vigilante weaves a trail of orchestrated slaughter through states along Route 80 to California FBI Special Agents Patti Moreland and Nick Redmond track Internet predators in Chicago After a failed attempt on Redmond s life the FBI thinks one of his past collars pulled the trigger but Moreland a child abuse survivor believes otherwise The young agent hacks his laptop and decrypts a sexually charged chat transcript between Redmond and a teenage girl logged hours before his shooting Moreland learns of the murders in other states and sees a connection to her partner She can t fathom Redmond being like one of the men who scarred her life and knows of only one way to disprove it find the killer **King of the Moonshiners** Bruce E. Stewart,2008 Lewis R Redmond was an archetypal moonshiner On March 1 1876 the twenty one year old North Carolinian shot and killed a U S deputy marshal who tried to arrest him on charges of illicit distilling He then fled to Pickens County South Carolina where within three years he gained national notoriety as the King of the Moonshiners More than any other individual moonshiner in southern Appalachia Redmond captured the imagination of middle class Americans Then as now media coverage had a lot to do with his reputation **Heroes of Hockeytown** Paul Harris,2002 *Phil Redmond's Hollyoaks* Jane Hudson,Phil Redmond,2001 Part of the High Impact series for reluctant readers this text is designed to motivate secondary school students with a reading age of six to seven This text takes a look behind the scenes of Hollyoaks

Redmond's Vindication Robert O'Loughran,1919 Deteached Eduard Meinema,2019-07-06 During an investigation into a teacher s suicide detectives Aubrey Taylor and Keith Balon are confronted with a second death Another teacher who committed suicide under almost identical circumstances The question is whether this is a coincidence And worse is it suicide Unfortunately it doesn t end with these two victims The small town of Riswick is quickly startled by a series of gruesome murders The two bickering detectives each with their own private concerns are confronted with bizarre situations that raise more questions than answers and drive the police duo to despair It started with suicide There is no telling where and when it will end *John Redmond's Last Years* Stephen Lucius Gwynn,1919 The Americans at Normandy John C. McManus,2013-05-28 In *The Americans at D Day* the first volume of this series John C McManus showed us the American experience in Operation Overlord Now in this succeeding volume he does the same for the Battle of Normandy as a whole Never before has the American involvement in Normandy been examined so thoroughly or exclusively as in *The Americans at Normandy* For D Day was only one part of the battle and victory came from weeks of sustained effort and sacrifices made by Allied soldiers Presented here is the American experience during that summer of 1944 from the aftermath of D Day to the slaughter of the Falaise Gap from the courageous famed figures of Bradley Patton and Lightnin Joe Collins to the lesser known privates who toiled in torturous conditions for their country What was this battle really like for these men What drove

them to fight against all sense and despite all obstacles How and why did they triumph Reminiscent of Cornelius Ryan s The Longest Day The Americans at Normandy takes readers into the minds of the best American strategists into the hearts of the infantry into hell on earth Engrossing lightning quick and filled with real human sorrow and elation The Americans at Normandy honors those Americans who lost their lives in foreign fields and those who survived Here is their story finally told with the depth pathos and historical perspective it deserves At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Confidentiality and Its Discontents* Paul W. Mosher,Jeffrey

Berman,2015-07-01 Freud promised his patients absolute confidentiality regardless of what they revealed but privacy in psychotherapy began to erode a half century ago Psychotherapists now seem to serve as double agents with a dual and often conflicting allegiance to patient and society Some therapists even go so far as to issue Miranda type warnings advising patients that what they say in therapy may be used against them Confidentiality and Its Discontents explores the human stories arising from this loss of confidentiality in psychotherapy Addressing different types of psychotherapy breaches Mosher and Berman begin with the the story of novelist Philip Roth who was horrified when he learned that his psychoanalyst had written a thinly veiled case study about him Other breaches of privacy occur when the so called duty to protect compels a therapist to break confidentiality by contacting the police Every psychotherapist has heard about Tarasoff but few know the details of this story of fatal attraction Nor are most readers familiar with the Jaffee case which established psychotherapist patient privilege in the federal courts Similiarly the story of Robert Bierenbaum a New York surgeon who was brought to justice fifteen years after he brutally murdered his wife reveals how privileged communication became established in a state court Meanwhile the story of New York Chief Judge Sol Wachtler convicted of harassing a former lover and her daughter shows how the fear of the loss of confidentiality may prevent a person from seeking treatment with potentially disastrous results While affirming the importance of the psychotherapist patient privilege Confidentiality and Its Discontents focuses on both the inner and outer stories of the characters involved in noteworthy psychotherapy breaches and the ways in which psychiatry and the law can complement but sometimes clash with each other The Legend of Lyon

Redmond Julie Anne Long,2015-09-29 Bound by centuries of bad blood England s two most powerful families maintain a veneer of civility until the heir to the staggering Redmond fortune disappears reviving rumors of an ancient curse a Redmond and an Eversea are destined to fall disastrously in love once per generation An Enduring Legend Rumor has it she broke Lyon Redmond s heart But while many a man has since wooed the dazzling Olivia Eversea none has ever won her which is why jaws drop when she suddenly accepts a viscount s proposal Now London waits with bated breath for the wedding of a decade and wagers on the return of an heir An Eternal Love It was instant and irresistible forbidden and unforgettable And Lyon now a driven dangerous infinitely devastating man decides it s time for a reckoning As the day of her wedding races toward them Lyon and Olivia will decide whether their love is a curse destined to tear their families apart or the stuff of

which legends are made *Irish Pedigrees* John O'Hart,1892 *People of the State of Illinois V. Hooper* ,1994 *Golfdom* ,1929 *The Entwined Lives of Miss Gabrielle Austin, Daughter of the Late Rev. Ellis C. Austin, and of Redmond, the Outlaw, Leader of the North Carolina "Moonshiners"* Edward B. Crittenden,1886 **Pleasing Everyone** Jeffrey Knapp (Professor of English),2017 Shakespeare's plays were immensely popular in their own day so why do we refuse to think of them as mass entertainment In *Pleasing Everyone* author Jeffrey Knapp opens our eyes to the uncanny resemblance between Renaissance drama and the incontrovertibly mass medium of Golden Age Hollywood cinema Through fascinating explorations of such famous plays as *Hamlet* *The Roaring Girl* and *The Alchemist* and such celebrated films as *Citizen Kane* *The Jazz Singer* and *City Lights* Knapp challenges some of our most basic assumptions about the relationship between art and mass audiences Above all Knapp encourages us to resist the prejudice that mass entertainment necessarily simplifies and cheapens whatever it touches As Knapp shows it was instead the ceaseless pressure to please everyone that helped generate the astonishing richness and complexity of Renaissance drama as well as of Hollywood film *Social Work and the Courts* Daniel Pollack,Toby G. Kleinman,2015-10-05 *Social Work and the Courts* is a collection of important and cutting edge court decisions in the field of human services now in its third edition Pollack and Kleinman present an array of legal cases in everyday language with clear explanation of the facts and issues and in depth examinations of the reasoning and implications of each decision This new edition includes over twenty new cases all of which happened between 2010 and 2014 making this one of the most significant and timely investigations of how social work and the law intersect Special attention is paid to recent rulings in child welfare and social worker liability The dissection and analysis of these influential cases makes this volume an excellent teaching tool and an essential resource for both social workers and policy makers **The Handy Hockey Answer Book** Stan Fischler,2015-10-13 Stan Fischler hockey journalist since 1954 and Lester Patrick Award winner for contributions to hockey in the United States covers the sport's history its origins rules players and more Stick handlers without helmets rushing goaltenders without masks on rinks lacking sideboards gives way to a faster game with bigger players and overtime shootouts The National Hockey League goes from a Canadian and regional sport to one that is watched by more fans throughout North America than ever Hockey may have changed but its essence and appeal remain *The Handy Hockey Answer Book* written by hockey historian broadcaster author and self professed Hockey Maven Stan Fischler brings the game to life through exciting game action vital stats players rules and more It traces the early spread of hockey Lord Stanley's involvement and the birth of the cup then explains the rules the equipment strategies and positioning before following the ups and downs of the National Hockey League and its teams and players From the traditions all time cup and award winners and record breakers to the modern game *The Handy Hockey Answer Book* answers more than 800 questions on the game greats goals and growing popularity of hockey including Where does hockey come from What was the Stanley Cup first called Where did the name Patrick Division come from and why are the Patrick brothers important When was six
