Reentry Making The Transition From Missions To Life At Home:

Re-entry Peter Jordan, 1992 Essential teaching for every short and long term outreach participant every church and mission agency that sends them Peter Jordan's vital insightful teaching on the challenges and opportunities that await returning missionaries makes this essential reading for everyone involved in missions A missions must read I'm really excited about this book and thank God for its important and vital message It is thirty years overdue Short term missions without this emphasis and teaching can easily end up as a tragedy instead of a triumph George Verwer International Dir Operation Mobilization Having counseled with hundreds of returning missionaries Peter Donna know from experience the re entry challenges and opportunities that await missionaries worldwide They have much to say on this vital subject of re entry and the authority to say it Loren Cunningham Founder and President Youth With a Mission Pages 156 paperback

Encountering Missionary Life and Work (Encountering Mission) Tom Steffen, Lois McKinney Douglas, 2008-06-01 This new volume in the award winning Encountering Mission series is for current and future missionaries It provides practical guidance regarding getting ready for the mission field and the realities of life on the field The authors are well qualified to write such a manual each having served as a missionary for more than twenty years and each having taught missions in seminary The authors begin by examining the contemporary context for missions including the recognition that the world's mission fields are in constant and often rapid change They then discuss aspects of preparing oneself for the mission field beginning with home front preparations and moving to on the field preparations The final section deals with practical issues and challenges of missionary life

Short-Term Missions Workbook Tim Dearborn, 2018-10-16 Going on a short term missions trip can be a life transforming experience but it can also involve weeks of physical and spiritual challenges In this revised and expanded ten week course you will find a concise summary of crosscultural principles help in facing spiritual warfare tips on avoiding a tourist mentality spiritual preparation through individual or group Bible study and discussion and reflection questions

Mack Leeann's Guide to Short-Term Missions J. Mack Stiles, Leeann Stiles, 2000-08-10 How can you prepare for a short term missions trip What are the hazards to avoid and the opportunities to embrace Veteran trip leaders Mack and Leeann Stiles offer practical advice hard won lessons and hilarious stories to help you know what to expect as you get ready to see God in action in new ways

Effective Engagement in Short-Term Missions Robert J. Priest, 2008-09-15 Effective Engagement in Short term Missions represents the single most ambitious effort to date to understand and improve upon patterns of ministry in STM In six sections the authors explore topics such as the links between STM and older patterns of long term missions engagement with people of other cultures international partnerships specialized ministries such as medical missions legal and financial liabilities and last but not least the impact of STM on participants The goal of this book is to improve the ways in which STM is carried out and to improve the understandings needed on the part of all who engage in the ministry In short this book attempts to provide a knowledge base for those who

provide leadership within the short term missions movement Youth pastors mission pastors lay leaders college and seminary students and missiologists will all find information that is helpful and relevant to their concerns To Timbuktu and Beyond Marsha Woodward, 2009-06-01 Timbuktu has become a metaphor for remote and inaccessible locations However it is a real place with real people Like much of the world s population few of Timbuktu s residents have had the opportunity to hear the Gospel While the task may seem daunting the Church is not sitting still Each year hundreds of Christians are joining the vast force of cross cultural missionaries flung around the globe To Timbuktu and Beyond serves as a practical step by step guide for those getting ready to go into missions It begins with the basic question of knowing and confirming your calling working through the various steps of preparation training and logistics and carrying you through your first few months on the field Each chapter has a series of tasks for you to prayerfully complete Missions is the most fulfilling career path you could possibly embark on not to mention an incredible adventure To Timbuktu and Beyond will help you in preparation for your journey because what you do before you go will have a significant impact on your future success **Global Member Care Volume 1** Kelly O'Donnell, 2011-06-27 If you are interested in growing as a person and developing your member care skills then this book is for you Global Member Care The Pearls and Perils of Good Practice is the latest book from Kelly O'Donnell launching the member care field further into the international world of mission aid Part One reviews member care history and includes future directions in light of global realities Part Two examines the crucial area of health dysfunction with specific suggestions for good relationships management and governance Part Three explores core ethics and human rights principles that are essential for good practice Pearls and Perils is a contemporary text for training in universities seminaries and mission aid settings Its principles and resources also make it a great handbook for sending groups and all those with member care responsibilities Today's All-Star Missions Churches Tom Telford, Lois Shaw, 2001-10-01 Near the close of the century Tom Telford was criss crossing the country researching the best ways to do and support missions He found that the top missions churches have active healthy innovative programs With the help of missiologists and church missions pastors he compiled Today s All Star Missions Churches Telford s book uses case studies from churches representing a variety of denominations sizes and locations From the detailed descriptions of the churches missions history vision and programming readers will glean practical ideas for starting or strengthening missions programs in local churches Each chapter focuses on the unique qualities of a church that has succeeded ranging from excellence in missionary care to involving children in missions The successful methods highlighted in this book can be implemented in churches of any size Missions organization leaders pastors and laypeople who want to involve their churches in missions will appreciate this practical and informative book *Missionaries, Mental Health, and Accountability* Jonathan J. Bonk, Nelson J. Jennings, Kim Jinbong, 2020-03-09 Hope and Help in Member Care Culture shock Marital strife Depression Addictions Disillusionment Organization and team tensions Family trauma Medical issues This is not what you signed up for when you pursued missions Field workers cross linguistic

cultural and ministry boundaries but they still experience the same mental health challenges as everyone else and often more. When the missionary unit includes a spouse and children the complexities multiply as each person undergoes stressors. Needing psychological or psychiatric help too often leads to burnout or worse. It's time to let go of the stigma and embrace mental health. *Missionaries Mental Health and Accountability* opens with stories of scriptural saints who also struggled and still made profound impacts for the kingdom. Then global contributors comprised of an equal balance of Korean and Western writers reach into the complexity of missionary mental health with the added component of accountability in church and agency support systems. Specifically four important areas of missionary mental health are considered: 1. disillusion, discouragement and depression; 2. relational dynamics and tensions; 3. contributing factors in missionary psychological duress; and 4. resources and organizational structures that address missionary mental health. Every chapter demonstrates courage, personal conviction and judicious honesty. Significant insights provided through case studies, surveys and personal reflections will offer action steps for increasing mental health awareness and developing mental health best practices for individuals and teams. Written for field workers and those who support them, *Missionaries Mental Health and Accountability* is a critical resource in member care.

Missiology John Mark Terry, 2015-09-01 Thoroughly updated and revised with half of the chapters new to the second edition, *Missiology* equips the reader with a vast graduate level resource on contemporary missions.
