Keanu Reeves' Excellent Adventure Marc Shapiro,2020-07-20 Talented actor Charismatic celebrity Woman magnet A free thinker and an independent soul That s the shorthand when it comes to the worldwide perception of Keanu Reeves But there s more to the real Keanu than pop culture talking points and in Keanu Reeves Excellent Adventure An Unauthorized Biography by New York Times bestselling author Marc Shapiro the star of Speed John Wick Point Break and countless big and small films proves to be a lot more contrary and anti establishment than most Hollywood cookie cutter celebrities Equal parts biography and character study Keanu Reeves Excellent Adventure An Unauthorized Biography is an ink blot rat in a maze journey as the actor deals with his life and times in straightforward often philosophical and spiritual manner He can be shy self effacing an introvert and somebody who has been a pain in the side of the Hollywood establishment He s also found time to be an all around good guy as he deals with life s ups and downs But at the end of the day Keanu Reeves is nothing less than human He s dealt with the deaths of those he s loved the most He makes no bones about the fact that he comes from a dysfunctional upbringing He s walked away from big budget studio films in favor of doing Hamlet for peanuts And early on he didn t think twice about starring in the overtly gay themed way out of the mainstream theater production Wolfboy He s readily admits to having done drugs and has had his run ins with the law And along the way his risen to that rarified air of international star

*Focus On: 100 Most Popular American Football Running Backs* Wikipedia contributors, *Richard Seddon: King of God's Own* Tom Brooking,2014-08-27 2014 Must Read Otago Daily Times The life the health the intelligence and the morals of the nation count for more than riches and I would rather have this country free from want and squalor and unemployed than the home of multi millionaires Richard Seddon 1905 Casting a long shadow over New Zealand history Richard John Seddon Premier from 1893 to his untimely death in 1906 held a clear vision for the country he led Pushing New Zealand in more egalitarian directions than ever before he was both the builder and the maintenance man if not the architect of our country Challenging popular opinion of New Zealand's longest serving Prime Minister as a ruthless pragmatist cunning misogynist and Imperialistic jingoist this landmark biography of Seddon presents an altogether more sympathetic erudite appraisal Reconciling two generations of New Zealand scholarship Richard Seddon King of God's Own demonstrates that while holding fast to common ideals Seddon was successful by mastering the art of the possible He knew instinctively what his electorate would tolerate and remained in step with public opinion Despite contradictions in his attitudes towards other races he fought to ensure privilege did not become entrenched in what he envisioned as a white man's utopia In this perceptive new evaluation political historian Tom Brooking explains Seddon's complex relationship with Maori and shows how he in fact held a progressively bi cultural vision for the future of God's Own Country Seddon was no saint Somewhat

autocratic and given to petty nepotism he nevertheless remains the most dominant political leader in our country's history. Internationally his high profile within the Empire helped put New Zealand on the map. Domestically he sought a middle ground between free market extremism and full blown socialism. And more privately Seddon was a devoted family man; his actions shaped much more by his supportive wife and assertive daughters than has previously been realised. Richard Seddon: King of God's Own is a superlative achievement in New Zealand history writing. Absorbing, wide ranging and beautifully articulated, it reframes and repositions one of the founding fathers of modern New Zealand. The definitive biography of one of New Zealand's most influential political leaders. Paul Moon, author of *New Zealand in the Twentieth Century*. *King of God's Own* is a nuanced and generous assessment of our most famous Premier, a man very much of his own time. Gavin McLean, co-editor of the bestselling *Frontier of Dreams: The Story of New Zealand*. An excellent biography and a major revision of an important period in this country's history. Barry Gustafson, acclaimed biographer of Sir Keith Holyoake, Sir Robert Muldoon and Michael Joseph Savage. Also available as an eBook. [Carson McCullers in the Twenty-First Century](#) Alison Graham-Bertolini, Casey Kayser, 2016-10-26. The contributors to this volume use diverse critical techniques to identify how Carson McCullers' writing engages with and critiques modern social structures and how her work resonates with a twenty-first century audience. The collection includes chapters about McCullers' fiction, autobiographical writing and dramatic works and is groundbreaking because it includes the first detailed scholarly examination of new archival material donated to Columbus State University after the 2013 death of Dr Mary Mercer, McCullers' psychiatrist and friend, including transcripts of the psychiatric sessions that took place between McCullers and Mercer in 1958. Further, the collection covers the scope of McCullers' canon of work such as *The Heart Is a Lonely Hunter* (1940), *The Member of the Wedding* (1946) and *Ballad of the Sad Café* (1943) through lenses that are of growing interest in contemporary literary studies, including comparative transatlantic readings, queer theory, disability studies and critical animal theory among others.
