Guided by Dreams Rachel G. Norment, 2006 In Guided by Dreams author Rachel Norment takes us on a rare journey through her own breast cancer diagnosis and treatment With wisdom and clarity she reveals how knowledge gained through dream interpretation guided many of her decisions during treatment and recovery and discusses over fifty of her personal dreams Seven drawings and paintings drawn by the author and included here in full color add a unique visual dimension to her story and express her complex feelings and reactions to this life transforming experience Join Rachel as she shares how this life threatening illness ultimately inspired her own spiritual and personal awakening [Making Nature Social](#)

Rembrandt Zegers,2024-06-15 As the global climate crisis and biodiversity loss deepen their impact and gain pace Making Nature Social Towards a Relationship with Nature provides core insights into what it means to understand our relationship to nature This relationship is illustrated through interviews with people working in different nature practices including engaging with nature non human animals place advocacy and with work organization values Rembrandt Zegers argues that since non humans do not use human language meaning is conducted through the senses giving rise to a knowing that manifests itself through the body first before finding its way socially in human language Through these senses the relation to non human others and nature can become a conversation in other words a relationship built on reciprocity The book illustrates how these meanings occur and how these conversations happen how crucial they are and how they are connected It dives deep into the essence of the lived experience of our relationship to nature and in doing so acknowledges how important the lived experience is for the purpose of a relationship with nature **Social Dreaming** Susan Long,Julian

Manley,2019-01-03 The idea of social dreaming argues that dreams are relevant to the wider social sphere and have a collective resonance that goes beyond the personal narrative In this fascinating collection the principles of social dreaming are explored to uncover shared anxieties and prejudices suggest likely responses enhance cultural surveys inform managerial policies and embody community affiliation Including for the first time a coherent epistemology to support the theoretical principles of the field the book reflects upon and extends the theory and philosophy behind the method as well as discussing new research in the area and how social dreaming practice is conducted in a range of localities situations and circumstances The book will appeal to anyone interested in the idea that social dreaming can help us to delve deeper into the question of what it means to be human from psychoanalysts to sociologists and beyond **The Fireside Chats with Hal & Sidra**

Stone Hal Stone,Sidra Stone,2011-08-01 IT IS TIME TO LISTEN TO THOSE WHO CARRY THE STORIES THAT SPEAK TO OUR SOULS There is a deep longing for the universal for meaning and for spirit in these times of brilliant discoveries and breathtakingly rapid technological advances Life has become longer more complex and in many challenging new ways more demanding The gifts have been incredible but the human spirit needs to catch up In the spring of 2009 Hal the challenges and rewards of aging relationship and psycho spiritual growth illness and health the gift of dreams and the ever present golden thread of meaning in the evolution of personal and global consciousness Dianne Braden a Jungian analyst crafted a beautiful book based on these four mornings masterfully re creating this very special moment in time Working with
