supplemented by a follow up assessment contribute to a clearer perception of what caused and motivated the movement of how it functioned of the changes that occurred within it and of its accomplishments and shortcomings Its profound effect upon modern America has so greatly changed relations between the races that C Vann Woodward has called it the second revolution In a limited space the eleven scholars range with a definitive view over a large subject Their papers analyze and emphasize the Civil Rights Movement s important aspects its origins and causes its strategies and tactics for accomplishing black freedom the creative tensions in its leadership the politics of the movement in the key state of Mississippi and the role of federal law and federal courts In this collection a scholarly balance is achieved for each paper by a follow up commentary from a significant authority By deepening the understanding of the Civil Rights Movement these essays underscore what has been gained through struggle as well as acknowledging the goals that are yet to be attained

What's an American Doing Here? Reflections on Travel in the Third World Stanley C. Diamond, 2010-06 Stan Diamond s adventurous travel to remote corners of the world provides inspiration to the prospective and seasoned traveler alike As a life long educator his observations about the value and meaning of such travel are thoughtful and informative while his encounters with all kinds of people in unusual places offer knowledge humor surprise and joy Stan s memoir begins with his childhood thumbing through pictures in an old World Book Encyclopedia and continues through his development as an enthusiastic voyager to some of the least likely destinations imaginable So what else is there to worry about beside disease and sanitation running out of gas or unavailability of medical care Well maybe rockslides and landslides storms and floods frozen roads and crazy drivers marauding bandits and slippery thieves insurrections and civil wars spewing volcanoes and other such precarious hazards one might stumble upon Frankly I do not have any good advice for the reader about such things Just try to avoid them if you can Stan Diamond spent most of his life teaching children directing schools and writing about his educational ideas In his retirement he transformed those skills to become a popular lecturer consultant and author He lives in Philadelphia Pennsylvania with his wife Beverly Publisher s Web site <http://www.strategicpublishinggroup.com/title/WhatsAnAmericanDoingHere.htm>
