Reflections of a Siamese Twin John Ralston Saul, 1998 In *Reflections of a Siamese Twin* Saul turns his eye from a reinterpretation of the Western world to an examination of Canada itself Caught up in crises political economic and social Canada continues to flounder unable to solve or even really identify its problems Instead we assert absolute differences between ourselves we are English or we are French Natives or Europeans early immigrants or newly arrived from the east or from the west Or we bow to ideologies and deny all differences in the name of nationalism unity or equality In a startling exercise in reorientation John Ralston Saul makes sense of Canadian myths real false denied and reconciles them with the reality of today s politics culture and economics

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation *In Search of Canadian Political Culture* offers a bottom up regional analysis that challenges how we think and write about Canada

Canadian Society in the Twenty-First Century, Fourth Edition Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada s nationhood in 1867 but the relationships framing Canada s modern existence go back much further Employing a unique socio historical perspective *Canadian Society in the Twenty First Century* examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation s economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada s petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique

character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history *Globalisation, Trade Liberalisation, and Higher Education in North America* C.W. Barrow, S. Didou-Aupetit, J. Mallea, 2012-12-06 Since the mid 1970s economic and educational developments in Canada Mexico and the USA have been influenced by two parallel trends 1 the resurgence of global economic competition and 2 the active promotion of knowledge intensive service based economies Both trends have been reinforced by the liberalisation of international trade under the rubric of the General Agreement on Tariffs and Trade GATT and the World Trade Organisation WTO The North American Free Trade Agreement NAFTA has accelerated these trends in all three countries by providing the framework for an integrated regional economy in North America designed to compete against comparable trading blocs centred in Japan and the European Union The purpose of this study is to examine the developing relationship between trade liberalisation post industrialisation and higher education in Canada Mexico and the USA The larger trends and linkages that we identify are by no means confined to these three countries We have chosen to focus on Canada Mexico and the USA because the adoption of the North American Free Trade Agreement has accelerated the development of economic policies in these countries which identify higher education as a central component of each country's new competitiveness strategy As a consequence government policy makers and higher education decision makers are responding with targeted initiatives to promote the internationalisation of higher education generally and to promote trilateral co operation among North American higher education institutions specifically *Triquet's Cross* John MacFarlane, 2009-09 In *Triquet's Cross* John MacFarlane tells the story of Paul Triquet a French Canadian soldier who was awarded the Victoria Cross for bravery in the battle for Casa Berardi during the Second World War *Extradition between Canada and the United States* Gary Botting, 2021-10-01 The tumultuous relationship between the United States and Canada's extradition systems their histories and all of the issues conflicts and controversies are here in this richly detailed colorful text The book is especially valuable today given the global response to the events of September 11 2001 and the United States war on terrorism which has had a dramatic impact on the way Canada and the U S conduct extradition procedures between one and other The author examines the most crucial extradition cases from the 19th to the 21st century including cases arising out of World War II the civil rights era and recent terrorist activities Amongst the highlights are detailed analysis of Attitudes towards extradition in North America from initial reluctance to extradite to the negotiation of the Jay Treaty 1794 which had a rudimentary extradition provision The period of the greatest development of extradition law which occurred at the beginning of the twentieth century The consolidation of extradition procedure towards a period of assertion of pre eminent executive discretion a devolution characterized by an eventual breakdown in cooperation between Canada and the United States in extradition matters after the Second World War The extent to which extradition dried up until 1971 when a new extradition treaty between Canada and the United States was negotiated along with innovative procedures for improving cooperation in handling extradition requests on both sides of the

border The Treaty of Extradition Between the Government of Canada and the Government of the United States ratified in 1976 as amended in 1988 and 2003 which provides rules governing seizure and sufficiency of evidence arrest and provisional arrest encourages mutual cooperation between the executive authorities of the two nations and in theory at least provides a modicum of protection for individuals caught up in extradition proceedings Current legislative scheme in Canada s Extradition Act 1999 showing the ways in which executive discretion has been expanded and judicial discretion diminished in virtually every level The shifting sands of extradition law from the perspective of the twenty first century including the ramifications of extraditing alleged terrorists to face justice in a shaken and bestirred America This work will be valuable for anyone working on the myriad extradition cases now existing between the United States and Canada or for those interested in acquiring an understanding of certain historical differences between these North American neighbors Published under the Transnational Publishers imprint

The Politics of Civil-Military Cooperation C. Ankersen, 2014-09-09 Ankersen examines Canada s civil military cooperation efforts in Kosovo Bosnia and Afghanistan through the lens of Clausewitz s Remarkable Trinity The book reveals how military action is the product of influences from the government the armed forces and the people at home

Odysseys Home George Elliott Clarke, 2017-06-22 *Odysseys Home Mapping African Canadian Literature* is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature s distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change

future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora *Louis Applebaum* Walter Pitman, 2002-10-01 Canadian composer Louis Applebaum devoted his life to the cultural awakening of his native land and this magnificent obsession drove him to become a founder of the Canadian League of Composers and the Canadian Music Centre He was an instrumental figure in the early development of the National Film Board the Stratford Festival and the National Art Centre in Ottawa For nearly half a century he composed music for the Stratford Festival television radio and films This illustrated biography explores the man who was beloved by his fellow artists and the icon to whom every Canadian knowingly or not is indebted **A Fragile Social Fabric?** Raymond Breton, 2004 While conventional assessments of the national quality of life focus on the economic and material dimensions of our society *A Fragile Social Fabric* expands that evaluation to include the social covenant of rights and obligations The authors examine two sides of the social covenant what Canadians expect from their society fairness recognition for their contribution to society trust that others will not take advantage of them and a sense of belonging and what is expected from them a sense of indebtedness to society that reflects an appreciation of how they have benefited as members of their society a sense of obligation to help others and a willingness to contribute to the functioning of the community and society Based on this analysis the authors identify a number of steps that can be taken to strengthen the Canadian social fabric This study is especially pertinent today given the pervasive market culture that is eroding the civic culture underlying the social covenants in contemporary Western societies It goes beyond conventional assessments that focus on economic and material dimensions of our society Hidden in Plain Sight Cora J. Voyageur, David Newhouse, Dan Beavon, 2005-08-20 The history of Aboriginal people in Canada taught in schools and depicted in the media tends to focus on Aboriginal displacement from native lands and the consequent social and cultural disruptions they have endured Collectively they are portrayed as passive victims of European colonization and government policy and even when well intentioned these depictions are demeaning and do little to truly represent the role Aboriginal peoples have played in Canadian life *Hidden in Plain Sight* adds another dimension to the story showing the extraordinary contributions Aboriginal peoples have made and continue to make to the Canadian experience From treaties to contemporary arts and literatures Aboriginal peoples have helped to define Canada and have worked to secure a place of their own making in Canadian culture For this volume editors David R Newhouse Cora J Voyageur and Daniel J K Beavon have brought together leading scholars and other impassioned voices and together they give full treatment to the Aboriginal contribution to Canada s intellectual political economic social historic and cultural landscapes Included are profiles of several leading figures such as actor Chief Dan George artist Norval Morrisseau author Tomson Highway activist Anna Mae Pictou Aquash and politician Phil Fontaine among others Canada simply would not be what it is today without these contributions The first of two volumes *Hidden in Plain Sight* is key to understanding and appreciating Canadian society and will be essential reading for generations to come Canadians Roy

MacGregor, 2008-05-06 Who are we In Canadians one of Canada's most intelligent and beloved writers maps our national psyche in a wonderful and ambitious work Canadians is an entertaining portrait of this country and its people through its history popular culture literature sport landscape and weather In his pursuit of the Canadian national identity MacGregor has travelled far and wide taking our pulse telling our stories A sparkling blend of historical anecdotal and reflective writing converges in a narrative that is extraordinarily learned in its perceptions and light in its delivery all trademarks of this remarkable writer's work

The Gaullist Attack on Canada, 1967-1997 J. F. Boshier, 1999 What lay behind Charles de Gaulle's Vive le Québec libre speech in Montreal on 24 July 1967 Philippe Rossillon's activities in New Brunswick Belgium and Africa and the sinking of Greenpeace's Rainbow Warrior in New Zealand in 1985 J F Boshier argues that the motivation behind all these incidents was a policy of underhanded imperial ambition on the part of France In *The Gaullist Attack on Canada* he contends that French nationalists have been at work behind the screen of harmless fraternising of international francophonie in order to stimulate French revolutionary nationalism in Quebec and elsewhere and that the Gaullist ideology behind these attempts rests on a set of myths about past events age old resentment of the English speaking nations and a deep rooted belief in the superiority of France its language and its culture *The Gaullist Attack on Canada* reveals a phase of French imperialism that poses a threat to Canadian Confederation Since the 1960s Boshier argues de Gaulle and his followers have conspired to stimulate Quebec separatism as part of their larger goal to revive France's role as a great power He bases his case on the evidence of France's actions in other former French colonies especially in Africa as well as the writings of such leading Gaullist conspirators as Bernard Dorin Pierre Claude Mallen Pierre de Menthon and Philippe Rossillon who have boasted about their efforts to win Quebec away from Canada for France Boshier criticises the Canadian government for its failure to respond to or even to recognise the Gaullist threat The Under Secretary of State for External Affairs in the 1960s Marcel Cadieux wanted to take vigorous steps against the Gaullist mafia but was overruled by his political superiors Boshier argues that even now by standing up to French aggression the government might weaken the separatist movement in Quebec or at least turn the tide of political support for it

[Canadian Cultural Exchange / Échanges culturels au Canada](#) Norman Cheadle, Lucien Pelletier, 2007-07-23 The essays in *Canadian Cultural Exchange changes culturels au Canada* provide a nuanced view of Canadian transcultural experience Rather than considering Canada as a bicultural dichotomy of colonizer colonized this book examines a field of many cultures and the creative interactions among them This study discusses from various perspectives Canadian cultural space as being in process of continual translation of both the other and oneself Les articles réunis dans *Canadian Cultural Exchange changes culturels au Canada* donnent de l'expérience transculturelle canadienne une image nuancée Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé le Canada y est vu comme champ où plusieurs cultures interagissent de manière créative Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre

Advances in Global Leadership William H. Mobley, Ming Li, Ying Wang, 2012-04-19 Includes chapters on various concepts and processes associated with leading across cultures and other boundaries Drawing on authors from many different cultures and contexts this title contributes to bridging and integrating conceptual and practitioner perspectives in pursuing this deeper understanding

Getting it Wrong Paul Romney, 1999-01-01 This provocative book explains how divergent views of Canada's past have sown dissension between Quebecois and other Canadians disclosing a lost middle ground between the Canadian nationalist and Quebec nationalist visions of Canadian history
