Reflections of Courage on D-Day & the Days That Followed Marcia Moen, Margo Heinen, 2025-01-15 The personal account of Charles Ace Parker a World War II Ranger on the European Front

D-Day General Noel F. Mehlo, 2021-05-15 Omaha was the make or break Allied beach on D Day in perhaps the make or break campaign of World War II If American soldiers couldn't gain a foothold there then D Day was unlikely to succeed On June 6 1944 U S troops on Omaha suffered the worst casualties of any of the five Allied invasion beaches so many casualties and so much tactical difficulty that Omaha almost didn't succeed One big reason why Americans gained a foothold on Omaha was Gen Norman Dutch Cota A graduate of the West Point class of 1917 alongside famous classmates Matthew Ridgway Mark Clark and Lightning Joe Collins Norm Cota played football with Dwight Eisenhower who graduated two years earlier From March 1941 to February 1943 Cota served with the famous 1st Infantry Division the Big Red One as division intelligence officer plans training officer and finally chief of staff He performed so well in the North Africa campaign that he was sent to England to help plan D Day After laying the tactical groundwork for the amphibious landings Cota was made assistant division commander of the 29th Infantry Division On the eve of D Day he told his men You're going to find confusion The landing craft aren't going in on schedule and people are going to be landed in the wrong place Some won't be landed at all We must improvise carry on not lose our heads On June 6 1944 under heavy fire Cota landed with the second wave of the 29th Infantry Division on Omaha Beach about an hour after the start of the invasion He personally rallied the survivors of the landings and led the opening of one of the first exits off Omaha Cota seemed to be everywhere that day Coming upon a group of Rangers the general told them Rangers lead the way hence the Rangers motto He is also known for saying Gentlemen we are being killed on the beaches Let us go inland and be killed And to a captain uncertain how to proceed I'll tell you what captain You and your men start shooting at them I'll take a squad of men and you and your men watch carefully I'll show you how to take a house with Germans in it Having demonstrated the task Cota asked the officer Do you understand Do you know how to do it now I won't be around to do it for you again I can't do it for everybody Great quips which American military history will always remember and which show the character in every sense of Dutch Cota Cota was a fighter a fighting general a D Day general and his contribution to D Day will remain his rallying of demoralized troops and his blazing the trail toward the breakout and victory on Omaha Ted Roosevelt Jr who landed at Utah Beach has always received credit as the D Day general like Cota Roosevelt also demanded that he land on D Day and then died of a heart attack a month later but Cota is the hero general of the day having landed early on D Day on bloody Omaha Portrayed by Robert Mitchum in the grand D Day film *The Longest Day* Cota has not yet received his due and there's a campaign now afoot to award him a belated Medal of Honor His story cries out to be told Now with the cooperation of the Cota family Noel F Mehlo Jr tells the compelling story Dutch Cota on Omaha Beach revealing new information and never before seen photos

Joseph Mpa, 2020-12-27 Changing Your Paradigm and Shifting your Mindset in 21 Days By Joel L Joseph MPA Most textbooks of this nature go through the theory and inundate the reader with historical perspectives and unrelated information to fill up space I have learned that KISS Keep it Simple Sweetie is something that works better when trying to reach a larger group of people The Follow up 21 Days of Accountability power packs knowledge practice and application in a manner that is palatable and inspiring to the intended audience Overview Being that this is my 3rd Book 1st *The Sweat off My Back* 2nd *Journey 2 Greatness* I wanted to do something different I wanted to create a book that addressed the gaps that many of us have and that is with commitment and follow through I myself have had to gain an accountability partner or partners that were on the same path with me trying to attain similar goals to keep me on track This book s caveat statement of disclaimer is that I do NOT try and present a perfect solution There are no perfect solutions because we are not perfect people In fact no book can guarantee your success without YOU putting the work or effort in to produce the results that you desire Many experts and top consultants can agree that there are no shortcuts to success In fact the journey to the place in which the person inside of you becomes the very best

version of you experts say that it takes 21 days to change a behavior or form a new habit I encourage you to take that as a challenge to look at the next 21 days and thereafter as a time to put in the arduous work that it takes to change your lifestyle As a producer of change you must know that the process of change takes accountability and the ability to measure your progress This is how you will adjust stabilize or reduce those things that are necessary to promote the BEST results At the end of this book I suggest that you look deeply at what you have accomplished and judge it heavily don t be easy on yourself Don t let yourself off the hook take the tough approach to be honest about the change that you need to make and simply do it Journaling is an important part of any process So purchase a journal or the detailed journal for this book which is available at www.jljooseph.com and reflect as much as possible of the journey Enjoy the results reflect on the ups and down and celebrate often

The Americans at D-Day John C. McManus, 2013-05-28 This WWII history delivers a definitive account of D Day as seen through the eyes of American soldiers on the frontlines Thomas Fleming June 6 1944 marked the beginning of the most climactic and decisive phase of World War

II in Europe Those who survived the intense fighting on the Normandy beaches found their lives irreversibly changed The day ushered in a great change for the United States as well because on D Day America began its march to the forefront of the Western world In the first of two volumes on the American contribution to the Allied victory at Normandy John C McManus vividly chronicles the American experience in the weeks leading up to D Day and on the great day itself From the build up in England to the night drops of airborne forces behind German lines and the landings on the beaches at dawn from the famed figures of Eisenhower Bradley and Lightnin Joe Collins to the courageous but little known privates who fought so bravely this is the story of the American experience at D Day With extensive archival research and the use of hundreds of firsthand accounts McManus delivers a gripping narrative history that examines what the battles at Utah and Omaha Beaches were really like and what drove American soldiers to fight and triumph despite all adversity *D-Day Cover Up at Pointe du Hoc* Gary Sterne,2019-03-30 A follow up to the New York Times bestselling *The Cover Up at Omaha Beach* The second volume of the epic study breaks new ground Firetrench Gary Sterne a keen collector of militaria and co founder of *The Armourer* and *Skirmish* magazines has always been fascinated by the D Day landings In particular he was intrigued by the lack of precise information relating to the mystery of the missing guns of Pointe du Hoc His research led to the finding of a map which indicated the position of an unknown German gun position buried in the village of Maisy The rediscovery of the Maisy Batteries made headline news around the world and his bestselling book *The Cover Up at Omaha Beach* subsequently changed the history of the Omaha sector and made many start to question the Rangers Pointe du Hoc mission The Maisy site is now one of the major Normandy D Day attractions For the first time ever this follow up book now offers complete Rangers history for the seven months prior to D Day and does so using period documents many of which have only recently been released from TOP SECRET status in U S Archives The author fills in the gaps that many have only guessed at concerning the Rangers real missions on D Day he explains why a battalion commander was removed hours before the landings why the Rangers were not briefed on their actual D Day missions and the extraordinary role that Lt Col Rudder played at Pointe du Hoc This book is a historical game changer that pulls no punches **A Day at a Time Gamblers Anonymous** Anonymous,2009-09-29 *A Day at a Time* is an essential recovery tool for compulsive gamblers These daily reflections and prayers offer us hope support and guidance throughout the year It also addresses the issues and fears often faced by those of us in recovery
