Mulholland, 2015-12-22 Centred on the dramatic premiership of Terence O'Neill Northern Ireland at the Crossroads examines the most hopeful decade for Ulster Unionism this century O'Neill's bold ambition to reach out to Catholics inspired optimism but also massive political instability Though concerned with the drama and personalities of high politics this book has much to say on popular attitudes in one of the world's most politicised societies New light is shed on Paisleyism discrimination and the civil rights movement **Irish Writing in the Twentieth Century** David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known

figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes Irish Writing in the Twentieth Century ideal as a core text providing a unique focus for detailed study in a single volume BOOK JACKET

Northern Ireland's '68 Simon Prince, 2018-08-21 The Troubles may have developed into a sectarian conflict but the violence was sparked by a small band of leftists who wanted Derry in October 1968 to be a repeat of Paris in May 1968 Like their French comrades Northern Ireland's sixty eighters had assumed that street fighting would lead to political struggle The struggle that followed however was between communities rather than classes In the divided society of Northern Ireland the interaction of the global and the local that was the hallmark of 1968 had tragic consequences Drawing on a wealth of new sources and scholarship Simon Prince's timely new edition offers a fresh and compelling interpretation of the civil rights movement of 1968 and the origins of the Troubles The authoritative and enthralling narrative weaves together accounts of high politics and grassroots protests mass movements and individuals and international trends and historic divisions to show how events in Northern Ireland and around the world were interlinked during 1968 **The Rebel's Daughter** John Gabriel Woerner, 1899 **A Guilty Conscience makes a rebel; or Rulers no terror to the good, prov'd in a sermon [on Rom. xiii. 3] ... With a preface reflecting on a late pamphlet, call'd The Ass and the Serpent [by T. Bradbury].** Luke Milbourne, 1713 **The British National Bibliography** Arthur James Wells, 1999 **The Restorative Rebel** Dani Bicknell M.S.Ed, 2025-02-07 In *The Restorative Rebel* Memoirs Musings on Internalized Capitalism Dani Bicknell blends memoir observation and sharp critique to help readers navigate and thrive within the complexities of internalized capitalism This book challenges the deeply ingrained myths surrounding the American Dream and capitalism offering fresh perspectives on social impact money technology and entrepreneurship Through a personal lens Bicknell explores the internalization of capitalist values within individuals businesses and society and provides readers with a powerful roadmap for creating a more authentic and fulfilling life *The Restorative Rebel* is divided into three sections Redefining Reimagining and Rebuilding In Redefining Bicknell demystifies American ideals questioning distorted loyalties to success and investigating the clash between social good and capitalism Reimagining focuses on envisioning new futures for work leadership and entrepreneurship while elevating marginalized voices and reshaping outdated labor and work models Rebuilding offers practical strategies for embracing joy learning from global perspectives to transform capitalism implementing ethical and humane technology and reshaping the post pandemic workplace to acknowledge and restore work life balance Inspired by works like *The Subtle Art of Not Giving a F ck* and *Hood Feminism* *The Restorative Rebel* not only critiques the current system but also serves as a guide for those seeking to create a more equitable joyful and sustainable future With engaging thought provoking insights Bicknell empowers readers to reclaim their time self worth and happiness from a system that values profit over people For those feeling disillusioned by the unfulfilled promises of capitalism and yearning for a way to thrive on their own terms *The Restorative Rebel* is an invitation to rethink success embrace joy and rebuild a life rooted in
