clear foundation for God's work in nations and churches around the world is his work in families. Indeed, healthy families lead to healthy churches, and the Blackabys illustrate that through real life stories of families that have found ways to experience God in marriage, in choosing life's direction, in rescuing broken relationships, in forgiveness, in the salvation of loved ones, etc. Lessons from the Bible support these moving accounts, and the book concludes with resources that will guide individuals, families, as well as entire churches toward practically experiencing God at home. Let the Spirit Shape Your Ministries

David S. Luecke, 2023-03-22 Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away. What are the options to regain vitality? Pastor Luecke thought for years that better administration was the answer. But the problem is deeper. Our Reformation heritage left us with a very weak practical theology of the Holy Spirit, confining him mostly to the Creeds. We don't have a hands-on understanding of how he makes a difference in church life today. We can find that by appreciating how central the Spirit was to Paul's leadership. This collection of Reflections comes in two parts. The first highlights how the Spirit works today based on Paul's insights. It outlines how personal growth in the Spirit can happen. Church leaders cannot take others to where they personally have not been before. The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit: He calls, gathers, enlightens, and sanctifies God's people. The Spirit is the leader of ministry teams. We need to learn how to follow. **Experiencing God**

Cross, 2019-10-15

In an age when the church is sometimes viewed as irrelevant and inauthentic, leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles. Cross, whose work is respected by scholars from across the ecumenical landscape, offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic. A forthcoming volume by the author, *Serving the People of God's Presence*, will focus on the role of leadership in the church.
