*Reflections* Diane L. Krueger, 2003-01-01 Melinda Sue blankly looked off into space twirling her four carat emerald cut engagement ring as a tear slowly escaped from the corner of her left eye That was how Ryn found her when he unexpectedly appeared at the Copa Cabana that afternoon Startled Melinda Sue jumped as he approached She became aware of the lone tear on her cheek and tried to wipe it away Ryn wanted to know what was troubling her but she just shook her head in a negative manner He held her for a few moments then gently led her outside Whatever it was that had Melinda Sue so upset he wanted to make right She wasn't going to begin her rehearsal until they talked it out After slowly walking two blocks Melinda Sue understood that this wonderful man wasn't going to be pushed aside He felt he had every right to know why she was upset Melinda Sue tended to agree with him she just didn't know how to begin to explain it all to him Simple things become so very complex She sighed almost inaudibly Come on now Whatever it is it can't be all that bad I wish you were right Stopping he turned her so that she was facing him He looked deep into her green eyes Then he once more asked what the problem was I I can't marry you she quickly blurted out before she lost her nerve What do you mean you can't marry me His heart plummeted to his toes Ryn I can't marry you or anyone else for that matter *The Oxford Encyclopedia of American Literature* Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study *Readings on the Russian Revolution* Melissa K. Stockdale, 2020-09-03 Readings on the Russian Revolution brings together 15 important post Cold War writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then

structured around four parts Actors Language Symbols War Revolution and the State Revolutionary Dreams and Identities and Outcomes and Impacts that explore the beginnings events and outcomes of the Russian Revolution as well as examinations of central figures critical topics and major historiographical battlegrounds Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary chronology and thematic bibliography to further aid study Readings on the Russian Revolution is an essential collection for anyone studying the Russian Revolution Twentieth-century Chinese Women's Poetry: An Anthology Julia C. Lin, 2014-12-18 Chinese women's writing is rich and abundant although not well known in the West Despite the brutal wars and political upheavals that ravaged twentieth century China the ranks of women in the literary world increased dramatically This anthology introduces English language readers to a comprehensive selection of Chinese women poets from both the mainland and Taiwan It spans the early 1920s and the era of Republican China's literary renaissance through the end of the twentieth century The collection includes 245 poems by forty poets in elegant English translations as well as an extensive introduction that surveys the history of contemporary Chinese women's poetry Brief biographical head notes introduce each poet from Bin Xin China's preeminent woman poet in the early Republican period to Rongzi a leading poet of modern Taiwan The selections are startling moving and wide ranging in mood and tone Together they present an enticing palette of delightful elegant playful lyric and tragic poetry **The First Right** Bradley R. Simpson, Associate Professor of History and Asian Studies Bradley R Simpson, 2025-10-14 The idea of self determination is one of the most significant in modern international politics For more than a century diplomats lawyers scholars activists and ordinary people in every part of the globe have wrestled with its meaning and implications for decolonization human rights sovereignty and international order The First Right argues that there was no one self determination but a century long contest between contending visions of sovereignty and rights that were as varied and changing as the nature of sovereignty itself In this globe spanning narrative Simpson argues that self determination's meaning has often emerged not just from the United Nations but from the claims of movements and peoples on the margins of international society Powerful states he shows persistently rejected expansive self determination claims arguing that these threatened great power conflict the dissolution of international order or the unravelling of the world economy Pacific Island territories indigenous peoples regional and secessionist movements and transnational solidarity groups among others rejected the efforts of large powerful states to define self determination along narrow lines Instead international historian Bradley R Simpson shows they offered expansive visions of economic political and cultural sovereignty ranging far beyond the movement for decolonization with which they are often associated As they did so these movements and groups helped to vernacularize self determination as a language of social justice and rights for people around the world An ambitious work of global breadth on a key geopolitical issue The First Right transforms how we think about the making of the twentieth century world order and the place of the

global South and decolonization in it      **Mathilde Blind** James Diedrick, 2017-01-12 With Mathilde Blind Late Victorian Culture and the Woman of Letters James Diedrick offers a groundbreaking critical biography of the German born British poet Mathilde Blind 1841 1896 a freethinking radical feminist Born to politically radical parents Blind had by the time she was thirty become a pioneering female aesthete in a mostly male community of writers painters and critics including Algernon Charles Swinburne William Morris Ford Madox Brown William Michael Rossetti and Richard Garnett By the 1880s she had become widely recognized for a body of writing that engaged contemporary issues such as the Woman Question the forced eviction of Scottish tenant farmers in the Highland Clearances and Darwin's evolutionary theory She subsequently emerged as a prominent voice and leader among New Woman writers at the end of the century including Mona Caird Rosamund Marriott Watson and Katharine Tynan She also developed important associations with leading male decadent writers of the fin de siècle most notably Oscar Wilde and Arthur Symonds Despite her extensive contributions to Victorian debates on aesthetics religion nationhood imperialism gender and sexuality however Blind has yet to receive the prominence she deserves in studies of the period As the first full length biography of this trailblazing woman of letters Mathilde Blind underscores the importance of her poetry and her critical writings her work on Shelley biographies of George Eliot and Madame Roland and her translations of Strauss and Bashkirtseff for the literature and culture of the fin de siècle

**Teachers College Record**, 1922      **Well-Read Lives** Barbara Sicherman, 2010-04-15 In a compelling approach structured as theme and variations Barbara Sicherman offers insightful profiles of a number of accomplished women born in America's Gilded Age who lost and found themselves in books and worked out a new life purpose around them Some women like Edith and Alice Hamilton M Carey Thomas and Jane Addams grew up in households filled with books while less privileged women found alternative routes to expressive literacy Jewish immigrants Hilda Satt Polacheck Rose Cohen and Mary Antin acquired new identities in the English language books they found in settlement houses and libraries while African Americans like Ida B Wells relied mainly on institutions of their own creation even as they sought to develop a literature of their own It is Sicherman's masterful contribution to show that however the skill of reading was acquired under the right circumstances adolescent reading was truly transformative in constructing female identity stirring imaginations and

fostering ambition With Little Women's Jo March often serving as a youthful model of independence girls and young women created communities of learning imagination and emotional connection around literary activities in ways that helped them imagine and later attain public identities Reading themselves into quest plots and into male as well as female roles these young women went on to create an unparalleled record of achievement as intellectuals educators and social reformers Sicherman's graceful study reveals the centrality of the era's culture of reading and sheds new light on these women's Progressive Era careers International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets Jews and the American Soul Andrew R. Heinze, 2021-03-09 What do Joyce Brothers and Sigmund Freud Rabbi Harold Kushner and philosopher Martin Buber have in common They belong to a group of pivotal and highly influential Jewish thinkers who altered the face of modern America in ways few people recognize So argues Andrew Heinze who reveals in rich and unprecedented detail the extent to which Jewish values often in tense interaction with an established Christian consensus shaped the country's psychological and spiritual vocabulary Jews and the American Soul is the first book to recognize the central role Jews and Jewish values have played in shaping American ideas of the inner life It overturns the widely shared assumption that modern ideas of human nature derived simply from the nation's Protestant heritage Heinze marshals a rich array of evidence to show how individuals ranging from Erich Fromm to Ann Landers changed the way Americans think about mind and soul The book shows us the many ways that Jewish thinkers influenced everything from the human potential movement and pop psychology to secular spirituality It also provides fascinating new interpretations of Sigmund Freud Alfred Adler and Western views of the psyche the clash among Protestant Catholic and Jewish moral sensibilities in America the origins and evolution of America's psychological and therapeutic culture the role of Jewish women as American public moralists and more A must read for anyone interested in the contribution of Jews and Jewish culture to modern America **New Zealand Through the Eyes of American Women** Robyn Handel, 2009 New Zealand appeared relatively late on the general tourist map of the 19th century Famous for its exotic flora and fauna a visible native population and women's suffrage it also drew American tourists to its shores How did American travelers perceive New Zealand and its society Very few travel accounts by American women were published in this period but these historical documents offer subjective accounts of the author's time and present individual experiences and views on New Zealand Australian national bibliography, 1961 **Twentieth-Century Caribbean Literature** Alison Donnell, 2007-05-07 This bold study traces the processes by which a history and canon of Caribbean literature and criticism have been constructed It offers a supplement to that history by presenting new writers texts and critical moments that help to reconfigure the Caribbean tradition Focusing on Anglophone or Anglocreole writings from across the twentieth century Alison Donnell asks what it is that we read when we approach Caribbean Literature how it is that we read it and what critical ideological and historical pressures may have influenced our choices and approaches In particular the book addresses the

exclusions that have resulted from the construction of a Caribbean canon rethinks the dominant paradigms of Caribbean literary criticism which have brought issues of anti colonialism and nationalism migration and diaspora double colonised women and the marginalization of sexuality and homosexuality to the foreground seeks to put new issues and writings into critical circulation by exploring lesser known authors and texts including Indian Caribbean women s writings and Caribbean queer writings Identifying alternative critical approaches and critical moments Twentieth Century Caribbean Literature allows us to re examine the way in which we read not only Caribbean writings but also the literary history and criticism that surround them

*Gender and the Politics of Welfare Reform* Joanne L. Goodwin, 2007-12-01 The first study to explore the origins of welfare in the context of local politics this book examines the first public welfare policy created specifically for mother only families Chicago initiated the largest mothers pension program in the United States in 1911 Evolving alongside movements for industrial justice and women s suffrage the mothers pension movement hoped to provide justice for mothers and protection from life s insecurities However local politics and public finance derailed the policy and most women were required to earn Widows were more likely to receive pensions than deserted women and unwed mothers And African American mothers were routinely excluded because they were proven breadwinners yet did not compete with white men for jobs Ultimately the once uniform commitment to protect motherhood faltered on the criteria of individual support and wage earning became a major component of the policy This revealing study shows how assumptions about women s roles have historically shaped public policy and sheds new light on the ongoing controversy of welfare reform

*A Lab of One's Own* Patricia Fara, 2018-01-05 2018 marked a double centenary peace was declared in war wracked Europe and women won the vote after decades of struggle A Lab of One s Own commemorates both anniversaries by revealing the untold lives of female scientists doctors and engineers who undertook endeavours normally reserved for men It tells fascinating and extraordinary stories featuring initiative determination and isolation set against a backdrop of war prejudice and disease Patricia Fara investigates the enterprising careers of these pioneering women and their impact on science medicine and the First World War Suffrage campaigners aligned themselves with scientific and technological progress Defying protests about their intellectual inferiority and child bearing responsibilities during the War they won support by mobilizing women to enter conventionally male domains A Lab of One s Own focuses on the female experts who carried out vital research They had already shown exceptional resilience by challenging accepted norms to pursue their careers now they played their part in winning the War at home and overseas In 1919 the suffragist Millicent Fawcett declared triumphantly that The war revolutionised the industrial position of women It found them serfs and left them free She was wrong Women had helped the country to victory had won the vote for those over thirty but had lost the battle for equality A Lab of One s Own is essential reading to understand and eliminate the inequalities still affecting professional women today

*Rhetoric of Femininity* Donnalyn Pompper, 2016-12-20 Rhetoric of Femininity Female Body Image Media and Gender Role Stress Conflict offers
