95 Prostheses Frank G. Honeycutt, 2018-01-18 Five hundred years after Luther's famous posting of his 95 Theses in 1517 the church again faces an important crossroads Sunday worship attendance is shrinking at alarming rates There are now more Elvis believers in the US than Episcopalians and almost limitless spiritual options exist for those who seek faith and trust in something but are hesitant to commit to a particular path leading to truth The word prosthesis normally associated with surgery is also an apt word to describe the church's need to forge a theological identity that fits our current context The church faces change and a transformed body but not at the expense of the biblical richness and tradition that fueled the restlessness of the reformers The essays gathered here arranged around the seasons of the church year address familiar challenges faced by all pastors and leaders in an era of transition specifically in Christian formation and discipleship Appropriate for group and personal reflection 95 Prostheses employs humor and biblical accessibility with the skeptical outsider who may be considering Jesus and his church for the first time in mind

Lift Up Your Hearts James A. Wallace,Robert P. Waznak,Guerric DeBona,2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God s active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of Lift Up Your Hearts is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today s world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life
