Reflections In The Stream:

Reflections in a Stream Edna Jones, 2018-01-19 Judith Early came to Balsam Ridge as a privileged only child of affluent Boston parents to locate the love of her life A decade has passed transforming her from a pampered young woman to that of a loving wife a loyal friend and a competent nurse with her husband Dr Jim Bradley The journey from seeing herself as a short term visitor to putting down deep roots of contentment in this isolated mountain community was not without struggle Now facing one of those defining moments without warning Judith's contented life is tragically uprooted overnight Like the mountain streams when encountering those unmovable boulders she must now find a new course in moving forward Where will she go What will she do There is nothing left It would seem even God has abandoned her Reflections in the Stream

Spiros Frangos, 2011-03-01 Ty Karos is a young doctor at a New York City hospital While treating a dying patient he is exposed to hepatitis C a life threatening virus which causes liver damage The event triggers anxious hopeless thoughts as Ty struggles with the premise of his own mortality His Epicurean beliefs and principles which he has strictly adhered to and drawn strength from over the years are challenged by this new obstacle as he leans on his mentor Dr Hobbes for guidance Ty reasons that something or rather someone is missing from his life Miranda a long lost love he met in the Cycladic islands a decade earlier Hoping she might somehow aid his recovery he locates her and the two reunite Throughout his spiritual journey Ty questions how best to live the value of love and what follows death In the end it is these enduring experiences in Ty's troubled life which emerge as his principal reflections in the stream You Are the Reflection of Your Thoughts Amrahs

Hseham, 2024-02-08 Throughout this book you will be guided on a journey of self reflection introspection and inner exploration You will uncover hidden patterns and beliefs that have been shaping your reality and learn how to replace them with empowering thoughts and beliefs that support your highest good It's important to note that this journey is not a quick fix or a one size fits all solution It requires dedication commitment and practice Just as you would exercise your body to build strength and endurance so too must you exercise your mind to cultivate resilience clarity and focus Take the time to reflect on your experiences journal your thoughts and insights and celebrate your progress along the way Remember every small step you take towards greater self awareness and empowerment brings you closer to the life you desire As you delve into the pages of You Are the Reflection of Your Thoughts may you discover the limitless potential that lies within you May you awaken to the power of your thoughts to shape your reality and may you embark on a journey of self discovery and transformation that leads you to a life of joy fulfillment and purpose Reflections Leticia Gossdenovich Feldman Ph.
