Andrew Pollard, Janet Collins

Reflective Professional In Education:

Reflective Practice for Educators Karen F. Osterman, Robert Kottkamp, 1993-01-17 This book provides specific strategies for facilitating reflective practice and is the first to provide a practical guide to professional development and school reform from this standpoint The authors show how reflective practice provides powerful strategies to help professionals learn from their experiences improve themselves and thus improve schools and education Applications in every area of professional development and school reform are presented *Learning and Teaching in Higher Education* Greg Light, Susanna Calkins, Roy Cox, 2009-06-04 Around the world higher education services are challenged by increased numbers and diversity of students tougher demands for professional accountability increasing calls for educational relevance and thinning resources Learning and Teaching in Higher Education The Reflective Professional addresses key issues in the practice and theory of teaching and learning in the sector The authors draw upon theory practice and current research to provide a new way of thinking about the many aspects of learning and teaching in higher education enabling the reader to critically reflect upon their teaching **Reflective Teaching** Andrew Pollard, Janet Collins, 2005-03-04 Reflective Teaching is the definitive textbook for reflective classroom professionalism It offers support for trainee teachers mentors newly qualified teachers and for continuous professional development This second edition has been revised and updated to enhance classroom use **The Reflective Practitioner in Professional Education** L. Lawrence-Wilkes, L. Ashmore, 2014-04-01 How important is it to be a reflective practitioner in education today This book examines the reflective practitioner role and the scope of reflective activities in professional practice revealing that critical thinking is rooted in a philosophical debate about notions of truth linked to differing learning approaches **The Reflective Professional in Education** Carmel Jennings, 1996 The Reflective Professional in Education provides insights and understandings into the building of more effective relationships with clients It is based on experience derived from specialist work with children and families in a variety of settings within the broad contexts of education and related fields **Educating the Reflective Practitioner** Donald A. Schon, 1987-02-10 Building on the concepts of professional competence that he introduced in his classic The Reflective Practitioner Schon offers an approach for educating professional in all areas that will prepare them to handle the complex and unpredictable problems of actual practice with confidence skill and care Reflective Practice for Educators Karen F. Osterman, Robert B. Kottkamp, 2004-04-08 In this age of mandated reforms reflective practice is a truly effective empowering way to make meaningful positive changes **Reflective professional development for teachers** Anthony Khaemba, 2015-11-04 Research Paper postgraduate from the year 2015 in the subject Pedagogy The Teacher Educational Leadership language English abstract Education is changing worldwide The literature suggests that teachers need reflective professional development PD to effectively teach to the new standards and to demonstrate change to their current instructional practices This mixed method multiple case study investigated the impact of a reflective professional

development PD in early schoolteachers instructional practices Teachers were asked to maintain Reflective Portfolios for a period of one month in which they were supposed to discuss one incident daily under the light of Gibbs reflective cycle REPORT rubric based on Danielsons framework of teaching was used to assess the portfolios The teachers were also analyzed via semi structured interviews using qualitative coding scheme Case descriptions were written and all the collected data was used to explain the levels of reflection in teachers instructional practices Beyond Reflective Practice Helen Bradbury, Nick Frost, Sue Kilminster, Miriam Zukas, 2012-09-11 Reflective practice has moved from the margins to the mainstream of professional education However in this process its radical potential has been subsumed by individualistic rather than situated understandings of practice Presenting critical perspectives that challenge the current paradigm this book aims to move beyond reflective practice It proposes new conceptualisations and offers fresh approaches relevant across professions Contributors include both academics and practitioners concerned with the training and development of professionals Definitions of reflection which are often implicit often focus on the individual s internal thought processes and responsibility for their actions The individual what they did thought felt is emphasised with little recognition of context power dynamics or ideological challenge This book presents the work of practitioners educators academics and researchers who see this as problematic and are moving towards a more critical approach to reflective practice With an overview from the editors and fourteen chapters considering new conceptualisations professional perspectives and new practices Beyond Reflective Practice examines what new forms of professional reflective practice are emerging It examines in particular the relationships between reflective practitioners and those upon whom they practise It looks at the ways in which the world of professional work has changed and the ways in which professional practice needs to change to meet the needs of this new world It will be relevant for those concerned with initial and ongoing professional learning both in work and in educational contexts
