

CHAMPION CLASSIQUES

Texte de poétique classique majeur, plus dense et plus précis que l'Art poétique (1674) de Boileau, *Les Réflexions sur la poétique* et sur les ouvrages des poètes anciens et modernes ont remarquablement contribué à la récente redécouverte critique du classicisme. C'est leur édition définitive (1984), pour la première fois publiée selon les principes de l'édition critique moderne, qui est présentée ici. On y découvre la synthèse aboutie d'un savant formé dans l'humanisme érudit de la grande tradition lettrée européenne, tourné vers la modernité et conscient de la mutation des savoirs et des sociétés dans la période de crise des années 1670-1680, convaincu de l'urgence de penser la littérature de manière à répondre aux défis contemporains. Elle frappe par sa cohérence critique et sa nouveauté : réajustement des notions aristotéliciennes de mimesis et de fabula, révision du caractère inspiré de la création, ébauche d'une psychologie du génie, revalorisation de l'imagination, nouvelle prise en compte des séductions de la parole poétique et de ses effets émotionnels, libération du plaisir littéraire en-dehors de l'emprise théologique et morale des augustiniens... Le classicisme présente de moins en moins de liens avec l'idée romantique d'une doctrine immémorablement néoécisée, tandis qu'est mis en relief le dynamisme évolutif de ses capacités de création.

La série *Littératures* publie des œuvres de toutes littératures et de tous siècles, connus ou peu connus, qu'on trouve l'histoire littéraire, la culture ou l'évolution des langues, ou soit éditées dans la tradition des éditions Champollion. Le texte publié est celui faisant autorité au regard des spécialistes qui ont procédé à son complet réexamen en s'appuyant sur les dernières avancées de la recherche. *Littératures* propose ainsi une édition sûre, des textes parfois inédits et toujours accompagnés du meilleur environnement critique et explicatif (bibliographie, index, glossaire complémentaires, etc.).
