Reflexology Card Deck:

Reflexology Card Deck Skye Alexander, 2008-07-01 A card deck is a convenient portable way to learn about reflexology. According to the ancient art of reflexology, the body's organs experience illness when they receive the wrong signals from the brain. However, by stimulating pressure or reflex points on the feet, you can interrupt the body's misguided instructions and stimulate the body to naturally heal itself. Reflexology Card Deck gives readers a convenient tool to guide them in the art of healing others and themselves through reflexology. A deck of 52 cards identifies a specific foot point on a photograph and tells the reader what healing benefit it has. On the flip side, the card explains the technique for stimulating the pressure point and expands on the benefits. Introduction cards explain the history of reflexology and the philosophy behind it. *The Reflexology Deck* Katy Dreyfuss, 2004 The cards include instructions for specific massage and reflexology techniques, maps of reflex areas on hands, feet, and ears, and reflexology sessions to relieve everyday ailments. **Aromatherapy Card Deck**,
