Reformation And The Culture Of Persuasion:

Reformation and the Culture of Persuasion Andrew Pettegree, 2005-06-23 A groundbreaking new history of the process of religious conversion during the European Reformation *Monstrous Births and Visual Culture in Sixteenth-Century*

Germany Jennifer Spinks, 2015-10-06 Presents an examination of printed representations of monstrous births in German speaking Europe from the end of the fifteenth century and through the sixteenth century beginning with a seminal series of broadsheets from the late 1490s by humanist Sebastian Brant and including prints by Albrecht Durer and Hans Burgkmair

African Literacies and Western Oralities? William A. Coppedge, 2021-11-03 How do twenty first century Christians communicate the Bible and their faith in today's mediascape Members of the International Orality Network ION believe that the answer to that paramount question is orality For too long they argue presentations of Christianity have operated on a printed literate register hindering many from receiving and growing in the Christian faith Instead they champion the spoken word and narrative presentations of the gospel message In light of the church's shift to the Global South how have such communication approaches been received by majority world Christians This book explores the responses and reactions of local Ugandan Christians to this oral renaissance The investigation grounded in ethnographic research uncovers the complex relationships between local and international culture brokers all of whom are seeking to establish particular modern identities The research conclusions challenge static Western categorizations and point towards an integrated understanding of communication that appreciates the role of materiality and embodiment in a broader religious socioeconomic discourse as well as taking into account societal anticipations of a flourishing modern African Church This book promises to stimulate dialogue for those concerned about the communication complexities that are facing the global church in the twenty first century *Books in Early Modern Norway* Gina Dahl, 2011-07-12 During recent decades much has been written about early modern book distribution but until now Norway has been absent from the discussion Drawing on book listings this study seeks to fill this lacuna by exploring the market for books in early modern Norway Its approach is multifaceted consideration of the types of books accessed by different elements of Norwegian society is set alongside developments within the book market itself such as the extended life of popular books the gradual replacement of Latin by the vernacular and the rise in the eighteenth century in the number of books available on the market The study demonstrates the internationality of the Norwegian book market while acknowledging specific patterns that determine its Norwegian character Writing on the

Wall Tom Standage, 2014-09-16 Chronicles social media over two millennia from papyrus letters that Cicero used to exchange news across the Empire to today reminding us how modern behavior echoes that of prior centuries and encouraging debate and discussion about how we'll communicate in the future Art and Communication in the Reign of Henry VIII Tatiana C.

String, 2017-07-05 Exploring the intersection between art and political ideology this innovative study of art in Henrician England sheds new light on the ways in which Henry VIII and his advisers exploited visual images in order to communicate

ideas to his subjects The works analyzed include water triumphs coronation pageants and funeral processions printed title pages of vernacular Bibles coins portrait miniatures and murals as well as panel paintings With her analysis of these categories of objects and using communication theory as a starting point String presents a new model of communication based on the concepts of magnificence topicality persuasiveness and propaganda Through this model she shows how medium location display and viewership were all considered in the transmission of royal messages Using the art of Henry VIII s reign as a case study String enriches our understanding of the fundamental contribution of imagery to communication and also provides a model for the study of the dissemination of ideas and the patron artist relationship in other royal courts and historical periods

Christian History Alister E. McGrath,2013-03-04 A major new introduction to the global history of Christianity written by one of the world s leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity s origins and its links to Judaism Looks beyond denominational history at Christianity s impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath s acute historical sensibility with formidable organizational skill breaking the material down into accessible self contained historical periods Offers an accessible and student oriented text assuming little or no advance theological or historical knowledge on the part of the reader

How the Light Gets In Graham Ward,2016 How the Light Gets In Ethical Life I presents a systematic account of the teachings of the Christian faith to offer a vision from a human created and limited perspective of the ways all things might be understood from the divine perspective It explores how Christian doctrine is lived and the way in which beliefs are not simply cognitive sets of ideas but embodied cultural practices Christians learn how to understand the contents of their faith learn the language of the faith through engagements that are simultaneously somatic affective imaginative and intellectual In the first of four volumes Graham Ward examines the complex levels of these engagements through three historical developments in the systematic organization of doctrine the Creeds the Summa and Protestant dogmatics He outlines a methodology for exploring and practicing systematic theology that captures how the faith is lived in cultural social and embodied engagements Ward then unpicks several fundamental theological concepts and how they are to be understood from the point of view of an engaged systematics truth revelation judgement discernment proclamation faith seeking understanding and believing as it relates to and grounds the possibilities for faith This groundbreaking work offers an interdisciplinary investigation through poetry art film the Bible and theological discourse analysing the human condition and theology as the

deep dream for salvation The final part relates theology as a lived and ongoing pedagogy concerned with individual and corporate formation to biological life social life and life in Christ Here an approach to living theologically is sketched that is the primary focus for all four volumes ethical life *Illustrated Religious Texts in the North of Europe, 1500-1800* Feike Dietz,Adam Morton,Lien Roggen,2016-12-05 In recent years many historians have argued that the Reformation did not as previously thought hamper the development of Northern European visual culture but rather gave new impetus to the production diffusion and reception of visual materials in both Catholic and Protestant milieus This book investigates the crosscurrents of exchange in the realm of illustrated religious literature within and beyond confessional and national borders and against the background of recent insights into the importance of on the one hand material as well as on the other hand sensual and emotional aspects of early modern culture Each chapter in the volume helps illuminate early modern religious culture from the perspective of the production of illustrated religious texts to see the book as object a point at which various vectors of early modern society met Case studies together with theoretical contributions shed light on the ways in which illustrated religious books functioned in evolving societies by analysing the use re use and sharing of illustrated religious texts in England France the Low Countries the German States and Switzerland Interpretations based on points of material interaction show us how the most basic binaries of the early modern world Catholic and Protestant word and image public and private were disrupted and negotiated in the realm of the illustrated religious book Through this approach the volume expands the historical appreciation of the place of imagery in post Reformation Europe **Poets, Players, and Preachers** Anne James,2016-08-12 On the night of November 4th 1605 the English authorities uncovered an alleged plot by a group of discontented Catholics to blow up the Houses of Parliament with the lords princes queen and king in attendance The failure of the plot is celebrated to this day and is known as Guy Fawkes Day In Poets Players and Preachers Anne James explores the literary responses to the discovery of the Gunpowder Plot in poetry drama and sermons This book is the first full length study of the literary repercussions of the conspiracy By analyzing the genres of poems plays and sermons produced between 1605 and 1688 the author argues that not only did the continuous reinterpretation of the conspiracy serve religious and political purposes but that such literary reinterpretations produced generic changes *Music and Religious Education in Early Modern Europe* ,2023-03-13 Exploring the nexus of music and religious education involves fundamental questions regarding music itself its nature its interpretation and its importance in relation to both education and the religious practices into which it is integrated This cross disciplinary volume of essays offers the first comprehensive set of studies to examine the role of music in educational and religious reform and the underlying notions of music in early modern Europe It elucidates the context and manner in which music served as a means of religious teaching and learning during that time thereby identifying the religio cultural and intellectual foundations of early modern European musical phenomena and their significance for exploring the interplay of music and religious education today *Protestantism, Poetry and Protest* S.K.

Barker,2016-04-15 Antoine de Chandieu 1534 1591 was a key figure in the establishment and development of the French Protestant Church Of all its indigenous leaders he was perhaps closest to Calvin and took a leading role in all the major debates about resistance church order and doctrine of the Church He was also a prodigious writer of political religious and poetical works whose output corresponds to a period of great turmoil in the progress of the French Church Chandieu was uniquely placed not merely to engage and contribute to the great debates of the day but also to record ongoing events By illuminating his career which meshed almost exactly with the French Wars of Religion this book not only demonstrates the key role Chandieu s played in the development of French Protestantism but also highlights the vital role of literature in shaping the religious experience of the wars Offering the first systematic evaluation of Chandieu s vernacular works this study questions many of the assumptions made about his motivations and aims and how these developed over a thirty year period His writings were contemporaneous with progress in the worlds of politics theology and poetry worlds in which he played a notable if not well documented role As a corpus these works show the development of one man s understanding of his ideology over a lifetime actively spent in the pursuit of making that ideology a reality Chandieu the young political hothead became Chandieu the defender of Calvinist theology who in turn matured into Chandieu the elder statesman The interest lies in where these changes occurred how they were reflected in Chandieu s writing and what they demonstrate about being Calvinist and a representative of one s faith in a time of disorder As such this book provides not only a reappraisal of the man and his publications but presents an intriguing perspective on the development of French Protestantism during this turbulent time

Martin Luther Michael A. Mullett,2014-09-15 An engaging and comprehensive new edition of this established biography provides students with an understanding of the European Reformation through the life of its key mover Martin Luther Working chronologically through Luther s life Michael A Mullet explains and analyses Luther s background the development of his Reformation theology in the 95 Theses the Diet of Worms and the creation of Lutheranism This fully revised and updated new edition includes a chapter on the legacy and memory of Luther through the centuries since his death looking to his influence on modern Germany and the wider world A comprehensive chronology at the start of the book traces the important dates in Luther s personal and political life This is a vivid scholarly and empathetic biography of Martin Luther which will be essential reading for all students of the European Reformation early modern history and religious history

Edinburgh's Unruly Women Claire McNulty,2025-03-10 Edinburgh s Unruly Women examines experiences of church discipline across parish communities through Edinburgh and its environs The book argues that experiences of discipline were not universal varying according to any number of factors such as age gender marital status and social rank Adopting a case study approach the book illuminates the voices of ordinary women as they appeared before their local kirk session church court where they navigated the church court system to settle neighbourly disputes negotiate marriage contracts or free their husbands from allegations of adultery Edinburgh s Unruly Women argues that in the context

of a deeply patriarchal society experiences of discipline could not have been universal but that in creating this strict culture of self monitoring the Church created opportunities for women to express power over one another and indeed over their male contemporaries By placing female parishioners at the heart of the book filled with individual case studies Edinburgh's *Unruly Women* appeals to students and scholars of early modern women religion and gender more broadly and to those with more specialist interest in both ecclesiastical discipline and the history of early modern Scotland in the localities *Good for the Souls* Nadieszda Kizenko, 2021-04-22 From the moment that Tsars as well as hierarchs realized that having their subjects go to confession could make them better citizens as well as better Christians the sacrament of penance in the Russian empire became a political tool a devotional exercise a means of education and a literary genre It defined who was Orthodox and who was other First encouraging Russian subjects to participate in confession to improve them and to integrate them into a reforming Church and State authorities then turned to confession to integrate converts of other nationalities But the sacrament was not only something that state and religious authorities sought to impose on an unwilling populace Confession could provide an opportunity for carefully crafted complaint What state and church authorities initially imagined as a way of controlling an unruly population could be used by the same population as a way of telling their own story or simply getting time off to attend to their inner lives *Good for the Souls* brings Russia into the rich scholarly and popular literature on confession penance discipline and gender in the modern world and in doing so opens a key window onto church state and society It draws on state laws Synodal decrees archives manuscript repositories clerical guides sermons saints lives works of literature and visual depictions of the sacrament in those books and on church iconostases Russia Ukraine and Orthodox Christianity emerge both as part of the European transatlantic religious continuum and in crucial ways distinct from it

The Printed Book in Brittany, 1484-1600 Malcolm Walsby, 2011-06-09 Using archival as well as printed sources this book analyses the place of the printing press and of the printed book in late fifteenth and sixteenth century Brittany and casts new light on the development of printing in provincial France **Preaching a Dual Identity** Nicholas Must, 2017-08-21 In *Preaching a Dual Identity* Nicholas Must examines seventeenth century Huguenot sermons to study the development of French Reformed confessional identity under the Edict of Nantes Of key concern is how a Huguenot hybrid identity was formulated by balancing a strong sense of religious particularism with an enthusiastic political loyalism Must argues that sermons were an integral part of asserting this unique confessional position in both their preached and printed forms To demonstrate this Must explores a variety of sermon themes to access the range of images and arguments that preachers employed to articulate a particular vision of their community as a religious minority in France **The Oxford Handbook of the Protestant Reformations** Ulinka Rublack, 2017 This Handbook takes a broad overview of the Protestant Reformations seeing them as movements which stretched far beyond their European beginnings Written by a team of international scholars of history and theology the contributions offer up to date perspectives on Reformation ideas and the lasting historical impact

of Protestantism The Character Sketch as Philosophy Katie Ebner-Landy, 2025 Katie Ebner Landy shows that early modern Europeans inspired by the ancient philosopher Theophrastus embraced the character sketch as a source of moral and political education Yet Enlightenment thinkers spurned this genre in favor of elaborating principles thereby helping to drive a wedge between philosophy and literature
