The Christ's Faith Michael Allen, 2011-11-03 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

[The Doctrine of the Holy Spirit in the Major Reformed Confessions and Catechisms of the Sixteenth and Seventeenth Centuries](#) Yuzo Adhinarta, 2012-06-14 With the rise of Pentecostalism in the early twentieth century and growth in the charismatic movement since a resurgence of interest in the Holy Spirit and Christian spirituality in both theology and the church's life has become evident Along with increased interest in the doctrine of the Holy Spirit there are criticisms of the treatment of the doctrine in church history for having neglected the Holy Spirit in both theology and the church's life Critical studies of the treatments of the doctrine of the Holy Spirit in church history have been laboriously conducted However there have not been many studies on the doctrine of the Holy Spirit in Reformed orthodoxy particularly in its confessional standards Recognizing the gap in the history of scholarship this work explores and provides a systematic account of the person and some aspects of the work of the Holy

Spirit as presented in the major Reformed confessions and catechisms of the sixteenth and seventeenth centuries Attention is particularly given to those aspects of the work of the Holy Spirit that have not been greatly explored but are pertinent to contemporary discussions *Underground Protestantism in Sixteenth Century Spain* Frances Luttikhuisen,2016-12-05 Frances Luttikhuisen chronicles the arrival reception and suppression of Protestant thought in sixteenth century Spain referred to at that time as Lutheranism It opens with several chapters describing the socio political religious context that prevailed in Spain at the beginning of the sixteenth century and the growing trend to use the vernacular for parts of the Mass as well as for catechizing the populace Special attention is given to the forerunners that is the early alumbrado deixados the role of Cardinal Cisneros and the impact of Erasmus and Juan de Valdes etc The use of archival material provides new details regarding the historical framework and the spread of evangelical thought in sixteenth century Spain These dispatches and trial records greatly enrich the main body of the work which deals with the arrival and confiscation of evangelical literature the attitude of Charles V and Philip II towards religious dissidents and the severe persecution of the underground evangelical circles at Seville and Valladolid Special attention is given to the many women involved in the movement The recurrent mention of the discovery and confiscation of prohibited literature shows how books played an important role in the development of the movements The final chapters focus on the exiles and their contributions the persecution of foreigners and the years up to the abolition of the Inquisition The work concludes with the efforts made in the nineteenth century to rediscover the history of the persecuted sixteenth century Spanish Protestants and their writings **Evangelical**

Dictionary of Theology Walter A. Elwell,2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **One Church in Christ** Troy J.

Onsager,2023-09-25 This book is devoted to understanding the confessional foundations of church unity in the earlier theology of Karl Barth This book follows Barth s academic and ecclesiastical career from the years 1921 to 1938 as he moves from a nonconfessional pastor in Switzerland prior to his first teaching post in Gottingen to articulating in his first volume of Church Dogmatics the critical and essential authority of the church s confession in its public witness at the start of his final teaching post in Basel During these years each academic placement and public ecclesiastical assignment is crucial for understanding the development of Barth s confessional theology in order to make sense of his mature dogmatic understanding of the authority of the church s confession in CD I 2 **Incarnation and Sacrament** Jonathan

Bonomo,2010-03-01 The nineteenth century Eucharistic controversy between Charles Hodge and John Williamson Nevin is an important episode in the history of American Christianity Hodge and Nevin battled over issues that lie at the heart of Christian faith and piety such as Why did God become man What bearing does the incarnation of Christ have on the redemption of the world How are believers on earth united with the ascended Christ who is in heaven Is Christ really present in the Lord s Supper And if so then how is he made to be present These are just a few of the age old questions that Charles

Hodge and John W Nevin sought to answer and over which they came to vigorously contend Incarnation and Sacrament provides an in depth historical and theological analysis and assessment of the controversy that arose between these two great nineteenth century American theologians By doing so it aims to provide some illumination on the theological heritage of the Protestant churches in the United States of the twenty first century [T&T Clark Handbook of Neo-Calvinism](#) Nathaniel Gray Sutanto,Cory Brock,2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields

The Glory of Kings Peter J. Leithart,John Barach,2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan s friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions The Glory of Kings aims to bring Jordan s work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day **40 Questions About Arminianism** J. Matthew Pinson,2022-04-19 The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions Answers beyond a basic caricature can be elusive What are the essential historical backgrounds of Arminianism and what theological teachings connect to the Arminian point of view Mixing solid historical research with biblical and doctrinal precision Baptist scholar J Matthew Pinson clarifies the foundations of this influential tradition 40 Questions About Arminianism addresses the following questions and more Who was Jacobus Arminius How has the church interpreted God s desire that everyone be saved How is Arminianism different from Calvinism Can one be both Reformed and Arminian What is universal enabling grace What do Arminians mean by free will Do Arminians believe that God predestines individuals to salvation Is it possible for a Christian to apostatize An accessible question and answer format helps readers pursue the issues that interest them most and encourages a broad understanding of historic and contemporary Arminianism with additional resources available at [40questions.net](#) [Protestantism, Poetry and Protest](#) S.K. Barker,2016-04-15 Antoine de Chandieu 1534 1591 was a key figure in the establishment and development of the French Protestant Church Of all its indigenous leaders he was perhaps closest to Calvin and took a leading role in all the major debates about resistance church order and doctrine of the Church

He was also a prodigious writer of political religious and poetical works whose output corresponds to a period of great turmoil in the progress of the French Church. Chandieu was uniquely placed not merely to engage and contribute to the great debates of the day but also to record ongoing events. By illuminating his career which meshed almost exactly with the French Wars of Religion, this book not only demonstrates the key role Chandieu played in the development of French Protestantism but also highlights the vital role of literature in shaping the religious experience of the wars. Offering the first systematic evaluation of Chandieu's vernacular works, this study questions many of the assumptions made about his motivations and aims and how these developed over a thirty year period. His writings were contemporaneous with progress in the worlds of politics, theology and poetry, worlds in which he played a notable if not well documented role. As a corpus, these works show the development of one man's understanding of his ideology over a lifetime actively spent in the pursuit of making that ideology a reality. Chandieu the young political hothead became Chandieu the defender of Calvinist theology who in turn matured into Chandieu the elder statesman. The interest lies in where these changes occurred, how they were reflected in Chandieu's writing and what they demonstrate about being Calvinist and a representative of one's faith in a time of disorder. As such, this book provides not only a reappraisal of the man and his publications but presents an intriguing perspective on the development of French Protestantism during this turbulent time.

Reformation Theology Matthew Barrett, 2017-03-16 Five hundred years ago the Reformers were defending doctrines such as justification by faith alone, the authority of Scripture and God's grace in salvation, some to the point of death. Many of these same essential doctrines are still being challenged today and there has never been a more crucial time to hold fast to the enduring truth of Scripture. In *Reformation Theology*, Matthew Barrett has brought together a team of expert theologians and historians writing on key doctrines taught and defended by the Reformers centuries ago. With contributions from Michael Horton, Gerald Bray, Michael Reeves, Carl Trueman, Robert Kolb and many others, this volume stands as a manifesto for the church, exhorting Christians to learn from our spiritual forebears and hold fast to sound doctrine rooted in the Bible and passed on from generation to generation.
