Reformed Spirituality An Introduction For Believers:

Reformed Spirituality Howard L. Rice, 1991-01-01 Rice makes a concerted effort to point us toward new and exciting avenues of spiritual growth and development I find the book provocative stimulating and challenging Ben Campbell Johnson Peachtree Professor of Evangelism and Church Growth Columbia Theological Seminary Decatur Georgia *The Theology of Amos Yong and the New Face of Pentecostal Scholarship* Wolfgang Vondey, Martin Mittelstadt, 2013-06-15 In *The Theology of Amos Yong and the New Face of Pentecostal Scholarship* Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology The authors provide an introduction and critical assessment of Yong's biblical foundations hermeneutics epistemology philosophical presuppositions trinitarian theology theology of religions ecumenical and interfaith relations theology of disability engagement with contemporary culture and participation in the theology and science conversation These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology pneumatology pentecostalism and the possibility of renewal The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship Contributors include Andrew Carver Jacob D Dodson Jeff Hittenberger Mark Mann Martin William Mittelstadt L William Oliverio Jr David A Reed Tony Richie Christopher A Stephenson Steven M Studebaker Paraskev Eve Tibbs and Wolfgang Vondey **The Theology of the Christian Life in J.I. Packer's Thought** Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer's theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer's treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology *Trinitarian Spirituality* Brian K. Kay, 2008-02-01 This work examines the problem of how to connect the historic doctrine of the Trinity to Christian devotional practice Two criteria for a successful Trinitarian spirituality are proposed that of drawing significantly from nuances of the classic formulations of the doctrine and dealing with the mode of original Trinitarian self disclosure that is the unfolding biblical doctrine of the *historia salutis* Various historical attempts at articulating a method are examined with special emphasis given to the Puritan John Owen **A Christian Guide to Spirituality** Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief When we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure

our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith *regula fidei* and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker economist and writer He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children The foreword is written by Neal D Presa This book might be classified appropriately in spirituality Christian living devotion faith religion and theology

Spiritual Theology Simon Chan, 1998-04-29 Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet and he highlights the connections between Christian doctrine and Christian living

Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include A Christian Guide to Spirituality 2014 Una Gu a Cristiana a la Espiritualidad 2015 My Travel Through Life 2016 Oraciones 2016 Prayers 2016 Life in Tension 2016 Prayers of a Life in Tension 2016

Called Along the Way 2017 See T2Pneuma.com for more details What people are saying Stephen provides a helpful accessible guide using the classic catechetical structure of the Apostles Creed the Lord's Prayer and the Ten Commandments David A Currie Gordon Conwell Theological Seminary In reference to A Christian Guide to Spirituality We live in a fallen world It leads to life in tension and sometimes a life full of stress Stephen Hiemstra takes us on a needed tour of the kind of character it takes to face such a life Darrell L Bock Dallas Theological Seminary In reference to Life in Tension Have you ever wondered if the church in America is mortally wounded Is God really dead as the infamous 1966 Time magazine cover reported This memoir offers evidence to the contrary Aaron Gordon Pastor In reference to Called Along the Way The Gagging of God D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering The Gagging of God takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within The Gagging of God offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response

CALVIN@500 Richard R. Topping, John A. Vissers, 2011-05-12 Calvin 500 is an

exercise in appreciative criticism and appropriation of the Reformer's work for church and society. The collection serves as an introduction to the life and thought of this sixteenth-century Reformer in his context. The book also traces Calvin's continuing legacy for political, economic, theological, spiritual, and interreligious practices of our own time. The essays reflect the depth and breadth of Calvin scholarship from the sixteenth century to the present. They also reflect Calvin's own wide-ranging ministry; the authors are pastors, teachers, social justice workers, and theologians. Calvin 500 arose from two Canadian conferences on the occasion of the 500th anniversary of Calvin's birth.
