That God Built Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families* series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities Dixie Beekeeper , 1922 **Take the Day Off** Robert Morris, 2019-10-29 Rest your mind body and spirit and focus on God s principles for keeping the Sabbath with this helpful guide from bestselling author Robert Morris A constant stream of busyness can slowly wear away at us over time physically mentally emotionally and spiritually Yet believers often forget that taking a day of rest is one of the Ten Commandments When we don t give our minds and emotions a break our will to make good choices can often become compromised Resting is also important to those around you If you have a weary soul you can t pour yourself into others at home work or wherever you are It s vital you must take the day off In *Take the Day Off* Pastor Morris explains why rest is central to your wellbeing how to do it and how helpful it can be You will be inspired to experience true rest and make it a priority in the rhythm of your weekly schedule Don t wait and delay God s blessings in your life Start implementing the principle of rest in your life and you will see eternal benefits The New Irish pulpit, or, Gospel preacher [ed. by T.R. and R. Everything We Need for Life and Godliness Sara E. Gulino, 2012-06-19 Why do we read the Psalms We read them because we find comfort in them We identify ourselves with the ups and downs of the writer his feelings and emotions They show the struggles of the writer with Gods activities how long before you The psalmist says and our cry to the Lord mixes with his They show his fears when he writes though I walk through the valley of the shadow of death and our fear becomes one with his The theologian reads them because of their prophetic and Messianic teachings But do we ever read them because they teach us how we relate to God See how the Psalms teach us what a person in a right relationship with God does in his relationship with Him Experience a thrilling growing and often convicting journey in God while being richly blessed as you learn what it means He establishes the work of our hands and see the Apostle Pauls example We know that our times are in Gods hands and see how God created time for our salvation and why He determines our days We consider all precepts right and see the problems of the pick and choose theology We are devoted to God and see how were little burning bushes walking the streets of this world We trust in God and see how little we do and much more
