Refutation Of Moral Relativism Interviews With An Absolutist:

A Refutation of Moral Relativism Peter Kreeft, 2009-12-04 No issue is more fateful for civilization than moral relativism. History knows not one example of a successful society which repudiated moral absolutes. Yet most attacks on relativism have been either pragmatic looking at its social consequences or exhorting preaching rather than proving and philosophers' arguments against it have been specialized technical and scholarly. In his typical unique writing style, Peter Kreeft lets an attractive, honest and funny relativist interview a Muslim fundamentalist absolutist so as not to stack the dice personally for absolutism. In an engaging series of personal interviews, every conceivable argument the sassy Black feminist reporter Libby gives against absolutism is simply and clearly refuted, and none of the many arguments for moral absolutism is refuted.

The Challenge of Relativism Patrick J.J. Phillips, 2011-11-13 Offering a comprehensive overview and introduction to the concept of relativism and relativistic arguments, this book surveys important relativist philosophers both classical and modern.

How to Do Apologetics Patrick Madrid, 2016-07-13 From one of the most respected names in Catholic Apologetics, Patrick Madrid comes the new book *How to Do Apologetics: Making the Case for Our Faith*. And it couldn't be more timely. Seismic cultural shifts and increased attacks on religious liberty often place Christians in the uncomfortable position of having to defend their beliefs, even their belief in God, when their Faith is called into question by atheists, agnostics, Protestants, or people from other religions. This book is the apologist's toolkit, covering all the topics you need to understand and apply Patrick Madrid's own successful approach to giving reasons to believe. Using logic, arguments, and evidence to defend the Truth. Apologetics with atheists, moral relativists, and non-Christians. Special advice and examples for use with Protestants as well as lukewarm or inactive Catholics. Proven strategies for responding graciously to opponents. Making a compelling case for God, Jesus Christ, and the Catholic Church. What you need to do apologetics well PLUS Patrick Madrid's recommended books, CDs, and a glossary of key apologetics terms. Patrick Madrid shows how YOU can demonstrate confidently and effectively that Catholic teaching is reasonable, consistent, and compelling.

The Moral Disciple Kent A. Van Til, 2012-08-13 The ability to judge good from bad, right from wrong, is a uniquely human characteristic. However, given the complexity of life, it is often difficult to discern which choice to make where our responsibilities lie or what the

consequences of an action or of a nonaction will be In *The Moral Disciple* Kent Van Til surveys the skills and dispositions that we need to address moral issues responsibly This basic introduction to Christian ethics the systematic evaluation of morality highlights the centrality of Christ and the Christian faith in moral formation and it offers an ethical framework to guide Christians as they engage a host of moral dilemmas including those surrounding wealth sexuality and the end of life Using easy to read prose and defining terms carefully Van Til provides an accessible introduction to this crucial and practical subject

Relational Apologetics Michael C. Sherrad, 2015-06-24 Defending the Christian faith by demonstrating its reality Relational Apologetics is about your life becoming a defense of the Christian faith Every relationship you have is an opportunity for you to connect people to their creator by displaying your hope both in word and deed Defending your faith is not just about answering questions and proving that God exists It is about showing that He is real by the way you live It is about demonstrating the power of God through your holiness And it is about drawing people to Jesus through your kindness Using stories and drawing on personal experiences Sherrard teaches the importance of holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic's questions The book doesn't delve deeply into the scientific and philosophical arguments for the existence of God and the validity of Christianity Rather it provides solid simple and easily remembered reasons why one should believe in each It will also teach essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them

C. S. Lewis's Case for Christ Art Lindsley, 2005-09-01 There can be many obstacles to faith as C S Lewis discovered But he overcame them to become one of Christianity's most ardent warriors of the faith Art Lindsley provides a readable introduction to C S Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity

The Case for Life (Second edition) Scott Klusendorf, 2023-10-24 Pro Life Advocate Scott Klusendorf Answers the Important Question What Are the Unborn Pro life Christians take heart the pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of *Roe v Wade* too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of *The Case for Life* now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to

organize material for a pro life talk and what it means to be pro life **Sola Scriptura in Asia** Yongbom Lee, Andrew R. Talbert, 2018-11-09 The echo of Luther's hammer resounds in Asia five hundred years after the Wittenberg controversy the cross is a flashpoint in China Korea seeks ecclesiastical reform the mystical union thrives in Laos even Kant whispers in old Batavia The diversity of ideas and influences of the Reformation is as broad and fascinating as the continent resisting reduction to the postcolonial movement and demonstrating an affinity with Protestant foundations that somehow remains uniquely Asian This volume brings together the reflections of Christian academics from the continent to offer a sample of the theological work that remains largely inaccessible to the broader scholarly community with contributions in the fields of theology biblical studies philosophy and Christian higher education If the quincentennial of the Reformation has revealed anything it is the inauguration of Asia as the locus of biblical and theological scholarship for the next five hundred years

prove There is salvation in no one else but Jesus Christ Acts 4 12 The most popular approach is an intellectual one that marshals scientific historical and philosophical arguments to defend the Christian faith However this book makes the following claims Intellectual apologetics has no biblical support including the often quoted 1 Peter 3 15 The Apostle Paul actually denounced the use of intellectual apologetics for evangelism Virtue apologetics which proves the Gospel by the superior love and holiness of Spirit indwelt believers is repeatedly commanded in Scripture and demonstrated in real life and history Claims to Christian immorality in both history and modern research are not true While there are a multitude of books on intellectual apologetics this author could not find a biblical study that explains defends and encourages virtue apologetics So he wrote one **Introducing Apologetics** James E. Taylor,2006-03 A fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach **The Big Book of Christian Apologetics** Norman L. Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses **DEFENDING EVANGELICALISM** William C. Roach,2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance of Geisler s method for present day evangelicalism It provides a clear assessment of the impact of Geisler s embrace of classical realism classical theism the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler s method in the twenty first century **The Love of Wisdom** Steven B. Cowan,James Spiegel,2009 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts **Making Disciples** Larry DiSimone,2012-05-31 **An Almanac of Contemporary and Continuum of Jurisprudential Restatements** 'lai Oshitokunbo Oshisanya,2022-07-10 A Compendium of Jurisprudential Annotations of Cases with Treaties Statutes Rules and Commentaries **Off Center, Off Course: How Sata's Lies Disrupt Christian Living , Sustainable Resource Use** Alex Smajgl,Silva Larson,2012 The way that humans organize both resource access and resource use is vital to the management of natural resources Within different contexts institutional arrangements such as the rules of common and private property rights become levers by which human behaviours can be modified and steered towards the goals of

sustainable natural resource management Featuring contributions from leading thinkers in the field this groundbreaking volume examines institutional dynamics from the perspective of natural resource management The book is organized into four parts The first discusses institutional diversity and contextual change Following this institutional misfit is analysed with a strong focus on the long term impacts of colonial structures in the Asia Pacific region The book then discusses experiences with institutional dynamics in order to ease the tension of such misfits before examining future research needs Ultimately through careful argument and by deploying original research the authors make the case that institutional arrangements cannot be perceived as a set of parameters that can be optimized and locked in for the most efficient functioning of a system nor can institutions be evaluated outside the context in which they were developed This is powerful thought provoking and important reading for academics researchers policy makers and professionals in resource institutional and environmental economics and land use planning and policy across the full range of natural resource sectors from forestry to agriculture Published with CSIRO Cover image Blue Flower of Life c Theresa J Richardson 2006 *True Truth* Art Lindsley, 2004-04-08 Art Lindsley ably demonstrates that faith in Christ is necessarily opposed to and incompatible with the abuses of oppression arrogance intolerance self righteousness closed mindedness and defensiveness Surprisingly he shows that it is relativism which often harbors dangerous inflexible absolutisms
