Sir Arthur Conan Doyle

Regency Buck Complete Unabridged:

The Complete Works of Jane Austen (Unabridged) Jane Austen, 2023-12-14 In *The Complete Works of Jane Austen Unabridged* readers are presented with an immersive collection of Austen's six major novels alongside her poetry and juvenile writings. This comprehensive anthology showcases Austen's characteristic wit, irony, and keen insights into human relationships, social class, and the intricacies of romantic love. A master of free indirect discourse, Austen's literary style not only entertains but also invites readers to engage with the societal norms of the late 18th and early 19th centuries. Through novels such as *Pride and Prejudice* and *Emma*, she deftly exposes the constraints placed on women, crafting narratives that are both timeless and resonant in their exploration of personal agency and societal expectation. Jane Austen (1775-1817) was an English novelist known for her keen observations and portrayals of early 19th-century English society. Growing up in a progressive family with a rich literary environment, Austen's experiences informed her writing as she often drew upon her intimate knowledge of rural life and domestic relationships. Her acute awareness of class and gender dynamics is evident throughout her works, solidifying her reputation as a pioneering voice in literature. This unabridged collection is essential for scholars and enthusiasts alike, serving as a gateway to understanding Austen's enduring relevance. Whether discovering her work for the first time or revisiting it, readers will find themselves captivated by her extraordinary ability to illuminate the human condition, making this collection a profound addition to any literary library.

The Hound of Baskerville (World Classics, Unabridged) Sir Arthur Conan Doyle, 2016-10-01 *The Hound of the Baskervilles* gripped readers when it was first serialised and has continued to hold its place in the popular imagination to this day. Could the sudden death of Sir Charles Baskerville have been caused by the gigantic ghostly hound that is said to have haunted his family for generations? Arch-rationalist Sherlock Holmes characteristically dismisses the theory as nonsense. And immersed in another case, he sends Dr Watson to Devon to protect the Baskerville heir and observe the suspects at close hand. With its atmospheric setting on the ancient wild moorland and its savage apparition, *The Hound of the Baskervilles* is one of the greatest crime novels ever written. Rationalism is pitted against the supernatural and good against evil as Sherlock Holmes sets out to defeat a foe almost his equal.
