Bozung,2017-09-07 The Cinema of Norman Mailer Film is Like Death not only examines the enfant terrible writer's thoughts on cinema but also features interviews with Norman Mailer himself The Cinema of Norman Mailer also explores Mailer's cinema through previously published and newly commissioned essays written by an array of film and literary scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker's six films created during the years of 1947 and 1987 and contends to show how Mailer's films can be best read as cinematic delineations that visually represent many of the writer's metaphysical and ontological concerns and ideas that appear in his texts from the 1950s until his passing in 2007 By re-examining Mailer's cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer's desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most

influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as passionate about working within cinema as he was about literature itself The Lady's Revenge Arabella Sheraton,2013-09-11 This engaging traditional Regency romance is the sequel to Lord Blackwood's Valentine Ball Miss Letitia De Vere decides that revenge is a dish best eaten cold when she returns to London after a two year absence to find her former admirer Lord Charles Blackwood on the verge of proposing to Miss Patience Cherwell Lord Blackwood's Valentine Ball proved to be the turning point in his fledgling romance with Patience Letitia is not the kind of woman who gives up easily as Patience and Charles soon find out She stoops at nothing to achieve her aims However Letitia has a dark past with secrets that threaten to return and destroy her newfound social success When Charles proves less malleable than in the past Letitia resorts to subterfuge seduction blackmail and even violence to force him to propose Will he see through her tricks and remain true to Patience or will Letitia's seductive wiles lure him back **Norman Mailer's Later Fictions** J.
