**SIECUS Report** ,1983      **Safe Stud** Max Exander,1985-01-01 De erotische ervaringen van een homoseksuele man die zich gezien de dreiging van Aids gaat instellen op safe sextechnieken      The Soul Beneath the Skin David Nimmons,2002-05-28 This surprising and thought provoking book begins with the obvious fact that Stonewall happened 30 years ago and the perhaps less obvious fact that in the 30 years since an enormous number of social science studies have been done on gay men Dave Nimmons proceeds to synthesize that information to reveal a number of unseen patterns of gay male behavior truths about our lives we feel instinctively but have not named For instance countless studies show that gay men have developed a culture in which public violence is almost non existent which is notable when you consider that violence in this society is almost entirely a male phenomenon Even in intensely over crowded gay bars and discos with alcohol and testosterone saturating the atmosphere fist fights are virtually unheard of On in the area of volunteerism study after study shows that gay men volunteer at a much higher level than any other segment of the population and very interestingly our volunteerism is about evenly divided between gay and non gay causes as are our charitable contributions Our patterns of intimacy and friendship are much more diffuse and extended than heterosexual patterns sexual jealousy and exclusiveness are extremely different as are our relationships with women and our pursuit of playfulness and sexual bliss Altogether these gay social innovations have no parallel in modern American culture they describe a new kind of public ethics one with deep implications for gay men and for the larger society      *The Face of the Deep* Thomas Farber,1998 Author Farber describes his experiences diving in a variety of locations in the Pacific Ocean      Theatre World 1991-1992 John Willis,2000-05 Theatre World Theatre World the statistical and pictorial record of the Broadway and off Broadway season touring companies and professional regional companies throughout the United States has become a classic in its field The book is complete with cast listings replacement producers directors authors composers opening and closing dates song titles and much much more There are special sections with biographical data obituary information listings of annual Shakespeare festivals and major drama awards      **A Sense of Wonder** Jeffrey A. Tucker,2004-07-26 In depth study places a major American writer in the African American tradition      **Media-Mediated Relationships** Frank Hoffmann,B Lee Cooper,Linda K Fuller,2023-07-28 Creating a nexus between techno science and more fundamental disciplines a phenomenon is emerging in our personal lives we are beginning to preempt traditional sources for relationship formation we are becoming more insular and more cautious in starting relationships The media play an enormous role in our activities encouraging us to self advertise in newspapers and magazines to participate vicariously through pornographic and borderline books talk radio and tabloid television to use our telephones and computers for the ultimate in safe sex to engage in video dating and to explore many other aspects in the field of technoeroticism As straight and gay people alike live in a time of reluctant commitments a period of playtime and the Age of AIDS the time has come to chronicle the role of mass communication in our

search for interpersonal connections Media Mediated Relationships investigates the historical economic psychological and sociocultural ramifications of the print and broadcast media motion pictures music and new communications technologies computers video interactive media virtual reality phone sex in terms of both our individual and societal concerns An extension of cultivation analysis by means of systems theory it reports on a baseline survey of over 200 people regarding relationship mediation demonstrating yet one more example of the symbiosis among and between various media sources A descriptive case study Media Mediated Relationships provides a barometer for better understanding the many singles and others searching for meaning and relationships in the sociocultural milieu of the 1990s and beyond **The Advocate** ,1991
