Nurturing Our Humanity Riane Eisler,Douglas P. Fry,2019-07-05 Nurturing Our Humanity offers a new perspective on our personal and social options in today s world showing how we can build societies that support our great human capacities for consciousness caring and creativity It brings together findings largely overlooked from the natural and social sciences debunking the popular idea that we are hard wired for selfishness war rape and greed Its groundbreaking new approach reveals connections between disturbing trends like climate change denial and regressions to strongman rule Moving past right vs left religious vs secular Eastern vs Western and other familiar categories that do not include our formative parent child and gender relations it looks at where societies fall on the partnership domination scale On one end is the domination system that ranks man over man man over woman race over race and man over nature On the other end is the more peaceful egalitarian gender balanced and sustainable partnership system Nurturing Our Humanity explores how behaviors values and socio economic institutions develop differently in these two environments documents how this impacts nothing less than how our brains develop examines cultures from this new perspective including societies that for millennia oriented toward partnership and proposes actions supporting the contemporary movement in this more life sustaining and enhancing direction It shows how through today s ever more fearful frenzied and greed driven technologies of destruction and exploitation the domination system may lead us to an evolutionary dead end A more equitable and sustainable way of life is biologically possible and culturally attainable we can change our course **Mythography** William G. Doty,2000-03-21

Presenting major myth theorists from antiquity to the present this work offers a cross disciplinary approach to the study of myth Rewritten and restructured it reflects the increased interest in myth among both scholars and general readers since the publication of the first edition *Empowering Children through Art and Expression* Dr. Bruce St. Thomas,Paul

Johnson,2007-06-15 This book combines personal and professional perspectives using case examples as well as the authors own childhood experiences to demonstrate practical strategies for use with children from drama and storytelling to sculpting with clay It also equips the reader with knowledge of the theory behind these intervention techniques **Beyond the Mask**
