**The SAGE Handbook of Media and Migration** Kevin Smets, Koen Leurs, Myria Georgiou, Saskia Witteborn, Radhika Gajjala, 2019-10-31

Migration moves people ideas and things Migration shakes up political scenes and instigates new social movements It redraws emotional landscapes and reshapes social networks with traditional and digital media enabling representing and shaping the processes relationships and people on the move The deep entanglement of media and migration expands across the fields of political cultural and social life For example migration is increasingly digitally tracked and surveilled and national and international policy making draws on data on migrant movement anticipated movement and biometrics to maintain a sense of control over the mobilities of humans and things Also social imaginaries are constituted in highly mediated environments where information and emotions on migration are constantly shared on social and traditional media Both those migrating and those receiving them turn to media and communicative practices to learn how to make sense of migration and to manage fears and desires associated with cross border mobility in an increasingly porous but also controlled and divided world

The SAGE Handbook of Media and Migration

offers a comprehensive overview of media and migration through new research as well as a review of present scholarship in this expanding and promising field. It explores key interdisciplinary concepts and methodologies and how these are challenged by new realities and the links between contemporary migration patterns and its use of mediated processes. Although primarily grounded in media and communication studies, the Handbook builds on research in the fields of sociology, anthropology, political science, urban studies, science and technology studies, human rights, development studies, and gender and sexuality studies to bring to the forefront key theories, concepts, and methodological approaches to the study of the movement of people. In seven parts, the Handbook dissects important areas of cross-disciplinary and generational discourse for graduate students, early career researchers, migration management practitioners, and academics in the fields of media and migration studies, international development, communication studies, and the wider social science discipline.

**The SAGE Handbook of Propaganda** Paul Baines, Nicholas O'Shaughnessy, Nancy Snow, 2019-11-25

The SAGE Handbook of Propaganda unpacks the ever-present and exciting topic of propaganda to explain how it invades the human psyche, in what ways it does so, and in what contexts. As a beguiling tool of political persuasion in times of war, peace, and uncertainty, propaganda incites people to take often violent action, consciously or unconsciously. This pervasive influence is particularly prevalent in world politics and international relations today. In this interdisciplinary Handbook, the editors have gathered together a group of world-class scholars from Europe, America, Asia, and the Middle East to discuss leadership propaganda, war propaganda, propaganda for peace, marketing propaganda, propaganda as a psychological tool, terror-enhanced propaganda, and the contemporary topics of internet-mediated propaganda. Unlike previous publications on the subject, this book brings to the forefront current manifestations and processes of propaganda, such as Islamist and Far Right propaganda, from interdisciplinary perspectives. In its four parts, the Handbook offers researchers and academics of propaganda studies, peace and conflict studies, media, and communication

studies political science and governance marketing as well as intelligence and law enforcement communities a comprehensive overview of the tools and context of the development and evolution of propaganda from the twentieth century to the present Part One Concepts Precepts and Techniques in Propaganda Research Part Two Methodological Approaches in Propaganda Research Part Three Tools and Techniques in Counter Propaganda Research Part Four Propaganda in Context
