examining how he brought to life the sages of the Jewish tradition David Patterson reveals that Wiesel's Hasidic engagement with the holy texts of the Jewish tradition does not fall into the usual categories of exegesis or hermeneutics and of commentary or textual analysis Rather he engages not the text but the person the teacher and the soul This book is a summons to remember the testimony reduced to ashes and the voices that cry out from those ashes Just as the teaching is embodied in the teachers so is the tradition embodied in their portraits
