*I-15 Corridor and Local Arterial Improvements*, 2010      *Full Circle Skyy*, 2013-06-01 It s the final test for our favorite Freedom University alumni It s been two years since Lena decided to take time away from all her drama to find herself and focus on her child But the present finds her staring at images of Denise the one who got away Will she finally be able to move on to someone new or will she go after the one she s wanted all along Denise has learned that there is more to Hollywood than fame and fortune The dark side of celebrity rears its ugly head as Denise s star grows brighter and Farih s starts to dim With the past reappearing in her life Denise finds herself torn between the stable relationship she s always wanted and the chaotic love that her heart just doesn t want to let go Never in a million years did Cooley think she would be in a committed relationship and happy Managing two of the hottest up and coming lesbian stars in the world she finds her life is right on track But when a secret comes out it could derail all she s worked for and threaten her relationship Misha pictured her future as an independent jet setter not as a housewife As she watches her ex live the life she envisioned for herself the temptation to pursue her dreams and revisit the life she abandoned might just get the best of her While her friends live fabulously in Atlanta Carmen is stuck in Memphis in a teaching job she despises While Nic is perfectly happy with the average life they have created together Carmen wants more including the perfect royal wedding Her caviar wishes might end up destroying her relationship dreams The future might be bright and sunny for the crew but there are still storm clouds ahead Their relationships and friendships have never been so vigorously tested As Carmen and Nic s wedding approaches will skeletons in their closets wreck the worlds they have created or will everything finally come full circle      **Beneath Missouri Skies**

Decolonization Raquel Ojeda-Garcia, Irene Fernández-Molina, Victoria Veguilla, 2016-11-30 This book explores the traces of the passage of time on the protracted and intractable conflict of Western Sahara. The authors offer a multilevel analysis of recent developments from the global to the local scenes including the collapse of the architecture of the UN led conflict resolution process, the advent of the War on Terror to the Sahara Sahel area and the impact of the Arab Spring and growing regional security instability. Special attention is devoted to changes in the Western Sahara territory annexed by Morocco and the Sahrawi refugee camps in Algeria. Morocco has adapted its governance and public policies to profound socio-demographic transformations in the territory under its control and has attempted to obtain international recognition for this annexation by proposing an Autonomy Plan. The Polisario Front and Sahrawi nationalists have shifted their strategy and pushed the centre of gravity of the conflict back inwards by focusing on pro-independence activism inside the disputed territory.
