spot on coldest North Mountain on a cold February 20 though I am a citizen of the United States a naturalized Yankee if it may be said that Nova Scotians are not Yankees in the truest sense of the word On both sides my family were sailors and if any Slocum should be found not seafaring he will show at least an inclination to whittle models of boats and contemplate voyages My father was the sort of man who if wrecked on a desolate island would find his way home if he had a jack knife and could find a tree He was a good judge of a boat but the old clay farm which some calamity made his was an anchor to him He was not afraid of a capful of wind and he never took a back seat at a camp meeting or a good old fashioned revival As for myself the wonderful sea charmed me from the first At the age of eight I had already been afloat along with other boys on the bay with chances greatly in favor of being drowned When a lad I filled the important post of cook on a fishing schooner but I was not long in the galley for the crew mutinied at the appearance of my first duff and chucked me out before I had a chance to shine as a culinary artist The next step toward the goal of happiness found me before the mast in a full rigged ship bound on a foreign voyage Thus I came over the bows and not in through the cabin windows to the command of a ship
